(Q) QUESTIONS and (A) ANSWERS

Question from:

Q1. Section B.8, page 11, of the original RFP instructs the Technical Proposal to include responses to each item in Section C.9 of the Scope of Work. Page 29 of Addendum No. 01 states that the updated Scope of Work replaces Section C of the original RFP. However, Section C.9 is not included in the Addendum No. 01 Scope of Work. Please confirm whether responses to section C.9 of the original RFP should be included in the Technical Proposal.

A1. Yes, Section C.9 of the original RFP is required.

Q2. Would you provide the RFP and Addendum 1 in Microsoft Word format?

A2. No. The new Scope of Work (Sections C.1 through C.8) has replaced the initial Scope of Work. The old Scope of Work (Sections C.1 through C.8) no longer applies.

Proposer shall initial here _________ and attach to Request for Proposal. Failure to do so may be cause to consider your proposal non-responsive and cause for rejection.
