

# Impress your customers with your own Signature style

Who says your restroom has to look ordinary?

Having a clean, sanitized restroom is a big part of creating a positive experience for your customers. And now you can take this even further — with a restroom that shows off your own signature style.

## The Signature Series™ is anything but same-old.

Our exclusive line of stylish designer restroom accessories lets you achieve sleek sophistication your customers will notice and appreciate.

- Customize your look with nine color options. Make a bold statement or keep it classic. The choice is yours
- Create consistency with a family of matching dispensers — from soap dispensers to air fresheners to trash cans
- Make cleaning easier and minimize germs with a non-textured, bacteriostatic surface that resists most fingerprints
- Transform your restroom without the expense of new paint or a renovation

### HOW THE SERVICE WORKS

- No upfront inventory investment
- Every week we monitor, refill and maintain dispensers
- Flexible programs to meet your changing needs
