1.) The small business preference will NOT apply to the National or Local portions of this bid.

2.) Price revisions can be submitted for approval prior to the 12 period expiration at 275 days into the contract. Approved prices can take effect after the 12 months has elapsed.

3.) Shipping cannot be charged. Please build shipping costs into the price of the items.

4.) Exhibit 1 of Appendix A page 2 of 2 is changed from “office supplies” to “electrical products”.

5.) The “Wires & Cable” and “Conduit, Channel & Fittings” categories will be changed from discount off list to a cost plus pricing methodology. This will be reflected in Appendix G-A. Please use and submit the revised appropriate Appendix G-A, Appendix G-B and G-D.

6.) All Appendix G spreadsheets will be separated between 2 categories, 1.) Lighting and 2.) Electrical categories. Each category will be evaluated and awarded separately. The requirement is now changed to: proposers must bid on at least 75% of each category for Appendix G-B and Appendix G-D (Non-Core items) and 90% of each category for Appendix G-C and G-E (Core items).

7.) Manufacturer price lists are required to be submitted with your bid submission. Electronic versions are required.

8.) Appendix G-A percent discount off list must match Appendix G-D and/or Appendix G-B depending if you are participating in the local or national program.

9.) Alternate items may be offered in the Appendix G, but must be flagged or highlighted to easily identify them. Please keep the items in the same order as originally released. Alternate items offered must be of an equal specification. Alternates are only allowed in the Non-Core spreadsheets, Appendix (G-B and G-D). Alternates will not be accepted in the Core spreadsheets, Appendix (G-C and G-E). This answer is different than the answer given at the Pre-bid conference on 12/18/12.

10.) Proposers will be allowed to submit their own price list if a manufacturer price list is not available. Your submitted price list must be verifiable.

11.) For submission, please prepare 2 hard copies and 9 electronic copies of your entire bid submission. Thumb drive preferred for the electronic copies. The entire signed bid submission must be included in each thumb drive including all Appendix’s and cost spreadsheets.

12.) The awarded National proposer will automatically also be awarded a local contract.
13.) All submitted pricing/discounts/cost-plus, Core, non-core and items listed in Appendix G-A are to be held firm for 12 months.

14.) During the life of the contract, the County of Los Angeles reserves the right to request and receive cost documentation supporting the time frame that a certain item was charged to a customer.

I have read, acknowledge and understand the 14 changes this Amendment #1 contains.

1.) Amendment #1 is modified as follows:

From:

Alternate items may be offered in the Appendix G, but must be flagged or highlighted to easily identify them. Please keep the items in the same order as originally released. Alternate items offered must be of an equal specification. Alternates are only allowed in the Non-Core spreadsheets, Appendix (G-B and G-D). Alternates will not be accepted in the Core spreadsheets, Appendix (G-C and G-E). This answer is different than the answer given at the Pre-bid conference on 12/18/12.

To:

The County of Los Angeles will now accept alternates on both Core Lists, Appendix G-C and Appendix G-E. All alternate items in the core and no-core lists must be accompanied by detailed, easy to understand documentation stating that the alternate item is of equal or better specification. Please keep the items in the same order as originally released. All alternate items must be flagged or highlighted to easily identify them.

The close date of the bid remains the same, January 17th, noon.

I have read, acknowledge and understand this Amendment #2.
RFP-IS-13255001  Electrical Supplies  Amendment #3

County of Los Angeles

01-07-13

1.) Page 28, section 1.33.26 of RFP is amended to now state that both Core and Non-Core items pricing are to remain firm for at least twelve (12) months from the effective date.

2.) Page 36, section 2.8 of RFP will now state that all price adjustment requests must be submitted no less than 90 days prior to implementation.

3.) The County Code Title 27 and County ordinance NO. 4388 requires that materials and equipment used in County facilities be approved by UNDERWRITERS LABORATORIES, INC. (UL), Los Angeles City Testing Laboratory, Factory Mutual Corporation, ETL Testing Laboratories, Inc., or Canadian Standard Association (CSA). CSA approval is not applicable to all facilities.

4.) If a vendor desires to supply an alternate item, such alternate item must be of equal or better character, specification and quality as the items listed. Such alternate items shall be accepted only if deemed by the County of Los Angeles to be equal or better in all respects to that specified and the County’s decision will be final. Please remember to highlight or flag alternate items.

The close date of the bid remains the same, January 17th, noon.

I have read, acknowledge and understand this Amendment #3.
