1.7 Contract Term

The Contract term shall be for a period of three (3) years from the date of award, with two (2) additional 12-month extension options which may be exercised at the sole discretion of the County.

1.8 Final Agreement Award Determination

The County reserves the right to make one total award, one award for each section, multiple awards, or a combination of awards, and to exercise its judgment concerning the selection of one or more proposals, the terms of any resultant agreement(s), and the determination of which, if any, proposal(s) best serves the interests of the County.

Additionally, participation in the national program is not a mandatory component or requirement in this solicitation in order for a Proposer to receive an award. Proposers have the option to be considered for a local agreement only, or for both a local and national program agreement.

Pursuant to California Government Code Section 25500 et seq., and County Code, Section 2.81.800, the County’s Purchasing Agent has the responsibility to make the final determinations necessary to arrive at a decision to award, or not award, an agreement.

1.9 Mandatory Requirement to Register on County’s WebVen

Prior to the award of a Contract under this RFP, all potential Vendors must register in the County’s Vendor Registration System (“WebVen”). The WebVen contains the
Vendor’s business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County’s home page at http://lacounty.info/doing_business/main_db.htm.

1.10 County Option to Reject Proposals

The County may, in its sole and absolute discretion, reject any or all proposals submitted in response to this RFP. The County shall not be liable for any costs incurred by the Proposer in connection with the preparation and submission of any proposal. The County reserves the right to waive inconsequential disparities in a submitted proposal.

1.11 Protest Policy

Bid protests are filed by Vendors because they seek to remedy a wrong, actual or perceived, which could inflict or has inflicted injury or hardship to their company as a result of some action taken by the County during the solicitation process. Common reasons for Vendors filing a bid protest include:

- The Contract was awarded to Vendor with higher prices.
- The Vendor’s proposal was rejected for invalid reasons.
- The Vendor awarded the resultant Contract did not comply with RFP specifications.

1.11.1 General Authority

The County’s Purchasing Agent maintains the exclusive authority and responsibility to purchase and rent all materials, supplies and equipment, furnishings, fixtures and all other personal property for use by County departments, districts or agencies which are governed by the County’s Board of Supervisors. Acquisition of supplies and equipment are made by the Purchasing Agent pursuant to:

- California Government Code Section 25501, et seq.;
- Title 2, Chapter 2.81 of the Codified Ordinance of the County of Los Angeles; and
- Section 24 of the County Charter.

1.11.2 PROTEST PROCEDURE

Upon a determination of Vendor selection from a bid process, the Purchasing Agent will post a “Notice of Intent to Award” on the County’s bid website, and notify all solicitation participants of the intended award via email.

A. Non-selected Vendors will have three (3) business days from the date the notice is posted to file a formal bid protest with the Purchasing and Contracts Analyst (herein the “Buyer”) that conducted the solicitation.
B. The bid protest, which must be received by the Buyer within the three (3) day period, shall be in writing, and include the specific facts, circumstances, reasons and/or basis for the protest. This written notice may be in the form of a letter, fax or email.

C. Upon execution of the Contract with the selected Vendor, the Purchasing Agent will not take action on a bid protest, but a written response will be provided to the protesting Vendor.

D. If a Vendor's bid protest is appropriately filed, the Purchasing Agent may delay the award of the Contract until the matter is resolved.

E. Notwithstanding the foregoing, throughout the bid protest review process, the County has no obligation to delay or otherwise postpone an award of a Contract based on a bid protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

F. The Purchasing Agent or designee will respond to all bid protests in a timely manner.

1.11.3 REVIEW OF SOLICITATION REQUIREMENTS AND SPECIFICATIONS

A vendor may seek a review of the solicitation requirements and/or specifications by written request to the Buyer conducting the solicitation provided that the written request is received prior to the closing date of the solicitation.

A. The request must itemize, in appropriate detail, each matter contested and a factual reason(s) for the requested review (e.g., the specifications were too narrow and limited competition, etc.).

B. The Purchasing Agent or designee will provide a written response to each vendor requesting such a review.

1.12 Notice to Proposers Regarding the Public Records Act

Responses to this solicitation shall become the exclusive property of the County.

Pursuant to the California Public Records Act, Government Code 6250 et seq., and County Purchasing Policy P-1300 (Inspection of Public Records), all bid information, proposals, or any part thereof, that are submitted in response to Purchasing Agent solicitations become a public record once a “Notice of Intent to Award” a purchase order or agreement has been issued, with the exception of those parts of each proposal which are justifiably defined by the Proposer as business or trade secrets, and plainly marked as "Trade Secret," "Confidential," or "Proprietary."
The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. The Proposer(s) must specifically label only those provisions of the proposal which are actually trade secrets, confidential, or proprietary in nature. A blanket statement of confidentiality or the marking of each page of the proposal as "Trade Secret", "Confidential", or "Proprietary" shall not be permitted. Any such designation will be disregarded.

By submitting a response to this RFP, the Proposer shall be deemed to have agreed to indemnify and hold harmless the County for any liability arising from or in connection with the County's failure to disclose, in response to a request under the California Public Records Act, any portion or portions of the Proposer's response to this RFP which have been marked "Trade Secret," "Confidential," or "Proprietary."

1.13 Indemnification

The Supplier shall indemnify, defend and hold harmless the County, its agents, officers, and employees from and against any and all liability, expense, including defense costs and legal fees, and claims for damages of any nature whatsoever arising from or connected with Supplier's operations, goods, and/or commodities or services provided hereunder. This indemnity shall include, but not be limited to, claims for or by reason of any actual or alleged infringement of any United States indemnity shall not include loss or damage arising from the sole negligence or willful misconduct of the County.

1.14 Insurance

Without limiting Supplier's indemnification of County, and in the performance of the Contract and until all of its obligations pursuant to the Contract have been met, Supplier shall provide and maintain at its own expense insurance coverage satisfying the requirements specified herein. These minimum insurance coverage terms, types and limits (the “Required Insurance”) also are in addition to and separate from any other contractual obligation imposed upon Supplier pursuant to the Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Supplier for liabilities which may arise from or relate to the Contract.

1.14.1 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under the Agreement.

- Renewal Certificates shall be provided to County not less than 10 days prior to Supplier's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Supplier and/or Subcontractor insurance policies at any time.
Certificates shall identify all Required Insurance coverage types and limits specified herein, reference the Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Supplier identified as the contracting party in the Contract. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand ($50,000.00) dollars, and list any County required endorsement forms.

Neither the County’s failure to obtain, nor the County’s receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Supplier also shall promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Supplier.

Supplier also shall promptly notify County of any third party claim or suit filed against Supplier or any of its Subcontractors which arises from or relates to the Contract, and could result in the filing of a claim or lawsuit against Supplier and/or County.

1.14.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor’s General Liability policy with respect to liability arising out of Supplier’s ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of the Supplier’s acts or omissions, whether such liability is attributable to the Supplier or to the County. The full policy limits and scope of protection also shall apply to the County and its Agents as an additional insured, even if they exceed the County’s minimum Required Insurance specifications herein.

Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

1.14.3 Cancellation of Insurance

Except in the case of cancellation for non-payment of premium, Contractor’s insurance policies shall provide, and Certificates shall specify, that County shall receive not less than thirty (30) days advance written notice by mail of
any cancellation of the Required Insurance. Ten (10) days prior notice may be given to County in event of cancellation for non-payment of premium.

1.14.4 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

1.14.5 Failure to Maintain Insurance

Supplier’s failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Supplier, and/or suspend or terminate the Contract. County, at its sole discretion, may obtain damages from Supplier resulting from said breach.

1.14.6 Supplier’s Insurance Shall Be Primary

Supplier’s insurance policies, with respect to any claims related to the Contract, shall be primary with respect to all other sources of coverage available to Supplier. Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Supplier coverage.

1.14.7 Waivers of Subrogation

To the fullest extent permitted by law, the Supplier waives its rights and its insurer(s)’ rights of recovery against County under all the Required Insurance for any loss arising from or relating to the Contract. The Supplier shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

1.14.8 Subcontractor Insurance Coverage Requirements

Supplier shall include all Subcontractors as insured under Supplier’s own policies, or shall provide County with each Subcontractor’s separate evidence of insurance coverage. Supplier shall be responsible for verifying each Subcontractor complies with the Required Insurance provisions herein, and shall require that each Subcontractor name the County and Supplier as additional insured on the Subcontractor’s General Liability policy. Supplier shall obtain County’s prior review and approval of any Subcontractor request for modification of the Required Insurance.

1.14.9 Deductibles and Self-Insured Retentions (SIRs)

Supplier’s policies shall not obligate the County to pay any portion of any Supplier deductible or SIR. The County retains the right to require Supplier to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Supplier’s payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.
1.14.10 Claims Made Coverage

If any part of the Required Insurance is written on claims made basis, any policy retroactive date shall precede the effective date of the Contract. Supplier understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

1.14.11 INSURANCE COVERAGE

A. **Commercial General Liability** insurance (providing scope of coverage equivalent to ISO policy form CG 00 01), naming County and its Agents as an additional insured, with limits of not less than:

- General Aggregate: $2 million
- Products/Completed Operations Aggregate: $1 million
- Personal and Advertising Injury: $1 million
- Each Occurrence: $1 million

B. **Automobile Liability** insurance (providing scope of coverage equivalent to ISO policy form CA 00 01) with limits of not less than $1 million for bodily injury and property damage, in combined or equivalent split limits, for each single accident. Insurance shall cover liability arising out of Contractor’s use of autos pursuant to this Contract, including owned, leased, hired, and/or non-owned autos, as each may be applicable.

C. **Workers Compensation and Employers’ Liability** insurance or qualified self-insurance satisfying statutory requirements, which includes Employers’ Liability coverage with limits of not less than $1 million per accident. If applicable to Supplier’s operations, coverage also shall be arranged to satisfy the requirements of any federal workers or workmen’s compensation law or any federal occupational disease law.

1.14.12 County Review and Approval of Insurance Requirements

The County reserves the right to review and adjust the Required Insurance provisions, conditioned upon County’s determination of changes in risk exposures.

1.15 Injury & Illness Prevention Program (IIPP)

Supplier shall be required to comply with the State of California’s Cal OSHA’s regulations. Section 3203 of Title 8 in the California Code of Regulations requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program. Supplier must provide a copy of Vendor’s IIPP if requested by County.

1.16 Background and Security Investigations
Background and security investigations of Supplier’s staff may be required at the discretion of the County as a condition of beginning and continuing work under any resulting Contract. The cost of background checks is the responsibility of the Supplier.

1.17 Conflict of Interest

No County employee whose position in the County enables him/her to influence the selection of a Supplier for this RFP, or any competing RFP, nor any spouse of economic dependent of such employees, shall be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Supplier. Proposer shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Exhibit 6 (Certification of No Conflict of Interest) of Appendix A (Required Forms).

1.18 Determination of Proposer Responsibility

A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County’s policy to conduct business only with responsible Proposers. Refer to Appendix G (Determinations of Contractor Non-Responsibility and Contractor Debarment)

1.18.1 Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer’s performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of the subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.

1.18.2 The County may declare a Proposer to be non-responsible for purposes of this contract if the Board of Supervisors, in its discretion, finds that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

1.18.3 If there is evidence that the apparent highest ranked Proposer may not be responsible, the Department shall notify the Proposer in writing of the evidence relating to the Proposer’s responsibility, and its intention to recommend to the Board of Supervisors that the Proposer be found not responsible. The Department shall provide the Proposer and/or the Proposer’s representative with an opportunity to present evidence as to
why the Proposer should be found to be responsible and to rebut evidence which is the basis for the Department’s recommendation.

1.18.4 If the Proposer presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Proposer shall reside with the Board of Supervisors.

1.18.5 These terms shall also apply to proposed subcontractors of Proposers on County contracts.

1.19 Proposer Debarment

The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Proposer’s existing contracts with the County, if the Board of Supervisors finds, in its discretion, that the Proposer has done any of the following:

(1) Violated a term of a contract with the County or a nonprofit corporation created by the County;
(2) Committed an act or omission which negatively reflects on the Proposer’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same;
(3) Committed an act or offense which indicates a lack of business integrity or business honesty; or
(4) Made or submitted a false claim against the County or any other public entity.

1.19.1 If there is evidence that the apparent highest ranked Proposer may be subject to debarment, the County shall notify the Proposer in writing of the evidence which is the basis for the proposed debarment, and shall advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.

1.19.2 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or Proposer’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. The Proposer and the County shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
1.19.3 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.19.4 If a Proposer has been debarred for a period longer than five (5) years, that Proposer may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

1.19.5 The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Proposer has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation.

1.19.6 Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

1.19.7 The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.19.8 These terms shall also apply to proposed subcontractors of Proposers on County Contracts.

1.19.9 Proposer must inform County of any exclusion from participation in a federally funded program. This information shall be provided by the Proposer on Exhibit 16 (Exclusion from Participation in a Federally Funded Program) of Appendix A (Required Forms).
1.20 Proposer’s Adherence to County’s Child Support Program

Proposers shall: 1) fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 2) comply with all lawfully served Wage and Earnings Assignment Orders and Notice of Assignment and continue to maintain compliance during the term of any contract that may be awarded pursuant to this solicitation. Failure to comply may be cause for termination of a contract or initiation of debarment proceedings against the non-compliant Contractor (County Code Chapter 2.202).

1.21 Gratuities

1.21.1 Attempt to Secure Favorable Treatment
It is improper for any County officer, employee or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion or statement that the Proposer’s provision of the consideration may secure more favorable treatment for the Proposer in the award of the Contract or that the Proposer’s failure to provide such consideration may negatively affect the County’s consideration of the Proposer’s submission. A Proposer shall not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Contract.

1.21.2 Proposer Notification to County
A Proposer shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller’s Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Proposer’s submission being eliminated from consideration.

1.21.3 Form of Improper Consideration
Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

1.22 Notice to Proposers Regarding the County Lobbyist Ordinance

The Board of Supervisors of the County of Los Angeles has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or Contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP.
Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is not on the Executive Office’s List of Terminated Registered Lobbyists by completing and submitting Exhibit 7 (Certification of Familiarity with the County Lobbyist Ordinance) of Appendix A (Required Forms), as part of their proposal.

1.23 Federal Earned Income Credit

The Supplier shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

1.24 Consideration of GAIN/GROW Participants for Employment

As a threshold requirement for consideration for contract award, Proposers shall demonstrate a proven record of hiring participants in the County’s Department of Public Social Services Greater Avenues for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment openings if they meet the minimum qualifications for that opening. Proposers shall attest to a willingness to provide employed GAIN/GROW participants access to the Proposers’ employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

Proposers who are unable to meet this requirement shall not be considered for contract award. Proposers shall submit a completed, “Attestation of Willingness to Consider GAIN/GROW Participants”, form, as set forth in Appendix A - Required Forms Exhibit 9, along with their proposal.

1.25 County’s Quality Assurance Plan

After contract award, the County or its agent will evaluate the Contractor’s performance under the contract on a periodic basis. Such evaluation will include assessing Contractor’s compliance with all terms in the Contract and performance standards identified in the Statement of Work. Contractor’s deficiencies which the County determines are severe or continuing and that may jeopardize performance of the Contract will be reported to the County’s Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate the Contract in whole or in part, or impose other penalties as specified in the Contract.
1.26 Recycled Bond Paper

Proposer shall be required to comply with the County’s policy on recycled bond paper to reduce the amount of solid waste deposited at the County landfills. If awarded an agreement, the Supplier will be required to agree to use recycled-content paper to the maximum extent possible in its performance under the Contract.

1.27 Safely Surrendered Baby Law

The Supplier shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Appendix F (Safely Surrendered Baby Law) of this solicitation document and is also available on the Internet at www.babysafela.org for printing purposes.

1.28 County Policy on Doing Business with Small Business

Intentionally Omitted. County Small Business Program is excluded from national programs.

1.29 Jury Service Program

The prospective contract is subject to the requirements of the County’s Contractor Employee Jury Service Ordinance (“Jury Service Program”) (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Ordinance, Appendix C. The Jury Service Program applies to both Contractors and their Subcontractors.

Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

1.29.1 The Jury Service Program requires Suppliers and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Supplier, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Supplier or that the Supplier deduct from the employee’s regular pay the fees received for jury service. For purposes of the Jury Service Program, “employee” means any California resident who is a full-time employee of a Supplier and “full-time” means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Supplier has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Supplier’s full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period
are not considered full-time for purposes of the Jury Service Program.

1.29.2 There are two ways in which a Supplier might not be subject to the Jury Service Program. The first is if the Supplier does not fall within the Jury Service Program’s definition of “Supplier”. The Jury Service Program defines “Supplier” to mean a person, partnership, corporation of other entity which has a Contract with the County or a Subcontractor Agreement with a County Supplier and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County Contracts or subcontractor Agreements. The second is if the Supplier meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Suppliers that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract is less than $500,000, and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Suppliers that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Supplier is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

1.29.3 If a Supplier does not fall within the Jury Service Program’s definition of “Supplier” or if it meets any of the exceptions to the Jury Service Program, then the Supplier must so indicate in Exhibit 10 (Certification Form and Application for Exception) of Appendix A (Required Forms), and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Supplier’s application, the County will determine, in its sole discretion, whether the Supplier falls within the definition of Supplier or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

1.30 Notification to County of Pending Acquisitions/Mergers by Proposing Company

The Proposer shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Proposer on Exhibit 1 (Proposer’s Organization Questionnaire/Affidavit) of Appendix A (Required Forms). Failure of the Proposer to provide this information may eliminate its proposal from any further consideration.

1.31 Transitional Job Opportunities Preference Program

1.31.1 In evaluating proposals, the County will give preference to businesses that are certified by the County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. A Certified Transitional Job Opportunity vendor is, and has been such for three (3) years, an entity: 1) that is a non-profit organization recognized as tax exempt pursuant to section 501 (c) (3) of the Internal Revenue Service
Code; set forth, under penalty of perjury, such information as requested by the County on either electronic or hard copy forms, along with their application form and three most recent annual tax returns to the County with their proposal response to the County solicitation for which they are competing; 2) has been in operation for at least one year providing transitional job and the related supportive services to program participants; and 3) provide a profile of their program with a description of their program components designed to assist program participants, number of past program participants, and any other information requested by the County.

1.31.2 Transitional Job Opportunities vendors must request the preference in their solicitation response and may not receive the preference until their certification has been affirmed by the County, which must verify the Transitional Job Opportunity vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a Proposer that knowingly and with intent to defraud seeks to obtain or maintain certification as a Transitional Job Opportunities vendor.

1.31.3 To request the Transitional Job Opportunities Preference, a Proposer must complete Exhibit 12 (Transitional Job Opportunities Preference Application) of Appendix A (Required Forms) and submit it along with all supporting documentation with its proposal.

1.32 Defaulted Property Tax Reduction Program

The prospective Contract will be subject to the requirements of the County’s Defaulted Property Tax Reduction Program (Los Angeles County Code, Chapter 2.206). Prospective Suppliers should carefully read Appendix J (Defaulted Tax Program Ordinance) and the pertinent provisions which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Suppliers and their subcontractors.

Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any Contract that may be awarded pursuant to this solicitation. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a Contract or initiation of debarment proceedings against the non-compliance Supplier. This information shall be provided by the Proposer on Exhibit 13 (Certification of Compliance with the County’s Default Property Tax Reduction Program) of Appendix A (Required Forms).

1.33 Disabled Veteran Business Enterprise Preference Program (DVBE)

Intentionally Omitted. County Disabled Veteran Business Enterprise Program is excluded from national programs.

1.34 Time Off for Voting
The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

1.35 CONTRACT TERMS AND CONDITIONS

Any resultant Contract award(s) made from this solicitation process will be subject to the following additional terms and conditions:

1.35.0 GOVERNING LAW, JURISDICTION AND VENUE

The Contract shall be governed by, and construed in accordance with, the laws of the State of California. Supplier agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding the Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles, California.

1.35.1 MOST FAVORED PUBLIC ENTITY

If the Supplier’s prices decline, or should the Supplier at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

1.35.2 NONDISCRIMINATION AND AFFIRMATIVE ACTION

The Supplier certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

A. The Supplier shall certify to, and comply with, the provisions of Exhibit 8 (Contractor’s EEO Certification) of Appendix A (Required Forms).

B. The Supplier shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-
discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

C. The Supplier certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Contract or under any project, program, or activity supported by the Contract.

D. The Supplier certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.

E. The Supplier shall allow County representatives access to the Supplier’s employment records during regular business hours to verify compliance with the provisions of this paragraph when so requested by the County.

F. If the County finds that any provisions of this section 1.33.2 have been violated, such violation shall constitute a material breach of the Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of the Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Supplier has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Supplier has violated the anti-discrimination provisions of the Contract.

G. The parties agree that in the event the Supplier violates any of the anti-discrimination provisions of the Contract, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars ($500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending the Contract.

1.35.3 NON EXCLUSIVITY

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Supplier. This Contract shall not restrict the County from acquiring similar, equal or like goods and/or services from other entities or sources.
1.35.4 NOTICE OF DELAYS

Except as otherwise provided under the Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of the Contract, that party shall, within two (2) business days, give notice thereof, including all relevant information with respect thereto, to the other party.

1.35.5 NOTICE OF DISPUTES

The Supplier shall bring to the attention of the County any dispute between the County and the Supplier regarding the performance of services as stated in the Contract.

The County Purchasing Agent and/or his designee shall make the sole determination regarding the disposition and resolution of the dispute.

1.35.6 NOTICES

All notices or demands required or permitted to be given or made under this Contract shall be in writing and shall be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in the Contract.

Addresses may be changed by either party giving ten (10) days' prior written notice thereof to the other party. The County Purchasing Agent or his designee shall have the authority to issue all notices or demands required or permitted by the County under the Contract.

1.35.7 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, the Supplier and the County agree that, during the term of the Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

1.35.8 PUBLICITY

The Supplier shall not disclose any details in connection with the Contract to any person or entity except as may be otherwise provided hereunder or required by law.

A. However, in recognizing the Supplier's need to identify its products and services and related clients to sustain itself, the County shall not prohibit the Supplier from publishing its role under the Contract under the following conditions:

- The Supplier shall develop all publicity material in a professional manner; and
During the term of the Contract, the Supplier shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name, logo or seal of the County without the prior written consent of the County’s Purchasing Agent.

B. The Supplier may, with or without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded the Contract with the County of Los Angeles, provided that the requirements, as stated above, are met.

C. The County does not publicly endorse any particular supplier or supplier product or services offering.

1.35.9 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Supplier shall maintain accurate and complete financial records of its activities and operations relating to the Contract in accordance with generally accepted accounting principles. The Supplier agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to the Contract.

All such material, including, but not limited to, all financial records, and proprietary data and information, shall be kept and maintained by the Supplier and shall be made available to the County during the term of the Contract and for a period of five (5) years thereafter unless the County’s written permission is given to dispose of any such material prior to such time.

All such material shall be maintained by the Supplier at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County’s option, the Supplier shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

A. In the event that an audit of the Supplier is conducted specifically regarding the Contract by any Federal or State auditor, or by any auditor or accountant employed by the Supplier or otherwise, then the Supplier shall file a copy of such audit report with the County’s Purchasing Agent within thirty (30) days of the Supplier’s receipt thereof, unless otherwise provided by applicable Federal or State law or under the Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

B. If, at any time during the term of the Contract or within five (5) years after the expiration or termination of the Contract, representatives of the County conduct an audit of the Supplier regarding the work performed under the Contract, and if such audit finds that the
County’s dollar liability for any such work is less than payments made by the County to the Supplier, then the difference shall be either: a) repaid by the Supplier to the County by cash payment upon demand or b) at the sole option of the County’s Purchasing Agent, deducted from any amounts due to the Supplier from the County, whether under the Contract or otherwise.

C. Failure on the part of the Supplier to comply with any of these provisions of the Contract shall constitute a material breach of the Contract upon which the County may terminate or suspend the Contract.

D. Each provision as stated herein shall also apply to participating public agencies.

1.35.10 CONSUMPTION REPORTS/ITEM NUMBERS/PURCHASES

Each County department or participating agency is to be assigned a customer number to be used in identifying each sale and proper billing address.

Supplier shall be required to furnish to the County’s Purchasing Agent/designee or requesting participating agency, monthly computer based usage reports of purchases separated by individual County departments or entity, and/or delivery locations, and employee purchases, listing quantities of separate items purchased and total dollars expended.

Usage reports listing items in alphabetical order and descending dollar volume order must also be provided upon request.

Supplier must provide any other usage reports that the County Purchasing Agent/designee or participating agencies may require for their internal controls including but not limited to Green Product consumption, HUB/DBE use, etc.

1.35.11 SUBCONTRACTING

The requirements of the Contract may not be subcontracted by the Supplier without the advance written approval of the County. Any attempt by the Supplier to subcontract without the prior written consent of the County may be deemed a material breach of the Contract.

A. If the Supplier desires to subcontract, the Supplier shall provide the following information promptly to the County:

- A description of the work to be performed by the Subcontractor;
- A draft copy of the proposed subcontract; and
Other pertinent information and/or certifications requested by the County.

B. The Supplier shall indemnify and hold the County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Supplier employees.

C. The Supplier shall remain fully responsible for all performances required of it under the Contract, including those that the Supplier has determined to subcontract, notwithstanding the County’s approval of the Supplier’s proposed subcontract.

D. The County’s consent to subcontract shall not waive the County’s right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under the Contract. The Supplier is responsible to notify its Subcontractors of this County right.

E. The County’s Purchasing Agent or designee is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, Supplier shall forward a fully executed subcontract to the County for their files.

F. The Supplier shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County’s consent to subcontract.

G. The Supplier shall obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor.

H. The Supplier shall ensure delivery of all such documents before any Subcontractor employee may perform any work hereunder.

1.35.12 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY’S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Supplier to maintain compliance with the requirements set forth in the Contractor’s Warranty of Adherence to County’s Child Support Compliance Program shall constitute default under the Contract. Without limiting the rights and remedies available to the County under any other provision of the Contract, failure of the Supplier to cure such default within
ninety (90) calendar days of written notice shall be grounds upon which the County may terminate the Contract pursuant to Termination for Default herein, and pursue debarment of the Supplier, pursuant to County Code Chapter 2.202.

1.35.13 TERMINATION FOR CONVENIENCE

The Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Such termination shall be effected by notice of termination to the Supplier specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective.

The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

A. After receipt of a notice of termination and except as otherwise directed by the County, the Supplier shall:

- Stop performance under the Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the Contract as shall not have been terminated by such notice.

B. All material including books, records, documents, or other evidence bearing on the costs and expenses of the Supplier under the Contract shall be maintained by the Supplier in accordance with paragraph 1.33.9 (Record Retention and Inspection/Audit Settlement) of this RFP.

1.35.14 TERMINATION FOR DEFAULT

The County may, by written notice to the Supplier, terminate the whole or any part of the Contract, if, in the judgment of County’s Purchasing Agent or designee:

- Supplier has materially breached the Contract; or
- Supplier fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under the Contract; or
- Supplier fails to demonstrate a high probability of timely fulfillment of performance requirements under the Contract, or of any obligations of the Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.
A. In the event that the County terminates the Contract in whole or in part as provided herein, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated.

B. The Supplier shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Supplier shall continue the performance of the Contract to the extent not terminated under the provisions of this sub-paragraph.

C. Except with respect to defaults of any Subcontractor, the Supplier shall not be liable for any such excess costs of the type identified herein if its failure to perform the Contract arises out of causes beyond the control and without the fault or negligence of the Supplier. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Supplier. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Supplier and Subcontractor, and without the fault or negligence of either of them, the Supplier shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Supplier to meet the required performance schedule. As used in this paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.

C. If, after the County has given notice of termination under the provisions of this paragraph, it is determined by the County that the Supplier was not in default under the provisions herein, or that the default was excusable under the provisions, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Termination for Convenience, as described herein.

D. The rights and remedies of the County provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.

1.35.15 TERMINATION FOR IMPROPER CONSIDERATION

The County may, by written notice to the Supplier, immediately terminate the right of the Supplier to proceed under the Contract if it is found that consideration, in any form, was offered or given by the Supplier, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing the Contract or securing favorable treatment with
respect to the award, amendment, or extension of the Contract or the making of any determinations with respect to the Supplier’s performance pursuant to the Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Supplier as it could pursue in the event of default by the Supplier.

A. The Supplier shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller’s Employee Fraud Hotline at (800) 544-6861.

B. Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

1.35.16 TERMINATION FOR INSOLVENCY

The County may terminate the Contract in the event of the occurrence of any of the following:

A. Insolvency of the Supplier. The Supplier shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Supplier is insolvent within the meaning of the Federal Bankruptcy Code;

B. The filing of a voluntary or involuntary petition regarding the Supplier under the Federal Bankruptcy Code; the appointment of a Receiver or Trustee for the Supplier; or the execution by the Supplier of a general assignment for the benefit of creditors.

The rights and remedies of the County provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.

1.35.17 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of the Contract, the County shall not be obligated for the Supplier’s performance hereunder or by any provision of the Contract during any of the County’s future fiscal years unless and until the County’s Board of Supervisors appropriates funds for use under the Contract in the County’s Budget for each such future fiscal year. In the event that funds are not appropriated, then the Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Supplier in writing of any such non-allocation of funds at the earliest possible date.

1.35.18 VALIDITY
If any provision of the Contract or the application thereof to any person or circumstance is held invalid, the remainder of the Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

1.35.19 WAIVER

No waiver by the County of any breach of any provision of the Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of the Contract shall not be construed as a waiver thereof. The rights and remedies set forth herein shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.

1.35.20 WARRANTY AGAINST CONTINGENT FEES

The Supplier warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Supplier for the purpose of securing business. For breach of this warranty, the County shall have the right to terminate the Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

1.35.21 PARTICIPATING MUNICIPALITIES

Excluding any local awards, the County has designated U.S. Communities Government Purchasing Alliance (herein “U.S. Communities”) as the agency to provide administrative services related to purchases by other governmental entities (Participating Public Agencies) under the Contract. At the County’s sole discretion and option, and upon Supplier entering into the requisite U.S. Communities Administration Agreement, Participating Agencies may acquire products under the Contract. Such acquisitions shall be at the prices stated in the Contract, or lower.

The awarded Supplier(s) must deal directly with any Participating Public Agency concerning the placement of orders, issuance of the purchase order, contractual disputes, invoicing, and payment. The County is acting as “Contracting Agent” for the Participating Public Agencies and shall not be held liable for any costs, damages, etc. incurred by any other Participating Public Agency.

In no event shall the County be considered a dealer, remarketer, agent or representative of the Supplier.

1.35.22 PRE-PRINTED TERMS AND CONDITIONS
Pre-printed terms and conditions/bidders contract documents. Bidders pre-printed terms and conditions or restrictions commonly appearing on the reverse side of letters submitted with the bid and/or bidders specifications material and contract documents will be disregarded in the absence of a positive written statement from Bidder and approved in writing by the County Purchasing Agent that all or a particular portion of such writings are in addition to or supersede the County terms and conditions.

1.35.23 RESERVATION

The County of Los Angeles reserves the right to bid individual large requirements when deemed in the best interests of the County.

1.35.24 RETURN OF GOODS RECEIVED

In bidding, Proposer agrees to accept for full credit any merchandise returned in good condition within five days after receipt of goods without any handling charges; however, no return shall be made of any material which has been put into operation other than for test. When products delivered fail to meet specification, cost of inspection shall be for account of vendor.

1.35.25 CANCELLATION

Any agreement formulated from this inquiry may be cancelled by either party upon (ninety) 90 days written notice. The County may continue to place orders against said agreement until the effective date of such cancellation.

1.35.26 PRICING

Unless otherwise qualified, bidder agrees, for the period of this agreement, that discounts quoted from price list are minimum for the first three (3) years. Under the proposed agreement, the awarded bidder on case-by-case bases may offer lower than contract pricing for large quantity purchases.

If prices decline, or should vendor at any time during the life of said agreement, sell the same materials or service under similar quantity and delivery conditions to the state of California, or any county, municipality or legal district of the state of California at prices below those quoted herein, such lower prices shall be immediately extended to the county of Los Angeles.

If manufacturer's price list or discount structure changes, vendor shall notify the county of Los Angeles purchasing department in writing immediately, identifying agreement by number, furnishing 2 copies of new list and acceptable evidence of change in manufacturers discount structure. It shall be vendor's responsibility to keep the county of Los Angeles informed of changes.
All price changes must be approved by the county of Los Angeles purchasing agent prior to forwarding any price changes to the departments. Failure to submit price changes and obtain approval from the purchasing agent will result in using the price on the last approved price list.

The County’s solicitation for this Request for Proposals is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program), Los Angeles County Code, Chapter 2.203. All proposers, whether a contractor or subcontractor, must complete this form to either certify compliance or request an exception from the Program requirements. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the proposer is excepted from the Program.

### Part I: Jury Service Program is Not Applicable to My Business

- My business does not meet the definition of “contractor,” as defined in the Program, as it has not received an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed $50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of $50,000 in any 12-month period.

- My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are $500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

  **“Dominant in its field of operation”** means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed $500,000.

  **“Affiliate or subsidiary of a business dominant in its field of operation”** means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

**OR**

### Part II: Certification of Compliance

- My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

**I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.**

VENDOR SIGNATURE                                           DATE
It is the policy of the Los Angeles County Board of Supervisors that County departments promote off-peak deliveries and pickup of all commodities by County Vendors between the hours of 9:00 a.m. and 3:30 p.m., Monday through Friday, during regularly scheduled County business days. The purpose of this policy is to reduce vehicle trips and vehicle emissions during the morning and afternoon commute periods. For purposes of the Board Policy, the trip shall be deemed to be compliant if the actual time of delivery provides for arrival at the County facility or location on or after 9:00 a.m. and the delivery or pickup is initiated at the County facility or location on or before 3:30 p.m.

Noncompliance with this policy may result in cancellation of a Purchase Order or termination of contract and/or agreement between the County and the awarded Vendor.

Unless otherwise instructed by authorized County department personnel, vendors shall be required to confer with County departments to schedule, as appropriate, regularly planned trips to County facilities for deliveries and/or pickup of commodities within the designated off-peak periods. County departments co-located at facilities that are serviced by the same Vendor shall make every effort to coordinate off-peak deliveries and pickups between the Vendor and other County departments at the facility.

Emergency, special orders, and other non-conforming deliveries and pickups specifically requested by County departments shall not constitute a violation of the Board Policy. In addition, circumstances documented by the Vendor to the satisfaction of the affected County department that are outside of the control of the Vendor that preclude adherence to the Board Policy shall not constitute a violation of the Board Policy.

If circumstances related to department operations preclude regularly scheduled deliveries between the hours of 9:00 a.m. and 3:30 p.m., Monday through Friday, the department shall notify the Vendor of any exception(s) allowable under the Board Policy. If such circumstances are permanent in nature, the department shall notify the Chief Administrative Office and ISD of their intent to exclude the affected contract(s) and/or commodities from the provisions of the Board Policy.

County departments doing business with non-commodity or service-related vendors that schedule regular trips to County facilities shall, to the extent feasible and appropriate, encourage such vendors to schedule such trips to their facilities between the hours of 9:00 a.m. and 3:30 p.m., Monday through Friday, during regularly schedule business days.

By signature below, vendor acknowledges receipt and understanding of this Board Policy, and agrees to adhere to above requirements regarding Off-Peak Delivery of Commodities.

REQUEST FOR DISABLED VETERAN BUSINESS ENTERPRISE PREFERENCE PROGRAM CONSIDERATION

Intentionally Omitted. The Disabled Veteran Business Enterprise Preference Program is excluded from national programs.
COUNTY OF LOS ANGELES
POLICY ON DOING BUSINESS WITH SMALL BUSINESS

Intentionally Omitted. The Local Small Business Program is excluded from national programs.
2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

A. “Contractor” means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more such contracts or subcontracts.

B. “Employee” means any California resident who is a full-time employee of a contractor under the laws of California.

C. “Contract” means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:

3. A purchase made through a state or federal contract; or

4. A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section P-3700 or a successor provision; or

5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, Section 4.4.0 or a successor provision; or

Contracts that commence after May 28, 2002, but before July 11, 2002, shall be subject to the provisions of this chapter only if the solicitations for such contracts stated that the chapter would be applicable. (Ord. 2002-0040 § 2, 2002: Ord. 2002-0015 § 1 (part), 2002)

2.203.040 Contractor Jury Service Policy.

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employees’ regular pay the fees received for jury service. 2.203.070. Exceptions.

A. Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.

B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.

C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:
   1. Has ten or fewer employees during the contract period; and,
   2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than $500,000; and,
   3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

“Dominant in its field of operation” means having more than ten employees and annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, exceed $500,000.

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?
You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee’s Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2012 are less than $50,270 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?
You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee’s copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee’s copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2013.

You must hand the notice directly to the employee or send it by first-class mail to the employee’s last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?
The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?
Eligible employees claim the EIC on their 2012 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2012 and owes no tax but is eligible for a credit of $600, he or she must file a 2012 tax return to get the $600 refund.
Babies can be safely surrendered to staff at any hospital or fire station in Los Angeles County.

No shame. No blame. No names.

In Los Angeles County: 1-877-BABY SAFE • 1-877-222-9723
www.babysafela.org
How does it work?
A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?
Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?
No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?
No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?
No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?
The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?
Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?
The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby’s story
Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby’s aunt and stated the baby’s mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the idlet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and was told she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.
Ley de Entrega de Bebés Sin Peligro

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

APPENDIX F

Ley de Entrega de Bebés Sin Peligro

¿Cómo funciona?
El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar al bebé, los empleados utilizarán brazaletes para poder vencularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregó recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar al bebé?
Los padres que cambian de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?
No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?
No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen al bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben el bebé?
No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasaría con el bebé?
El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde esté bien atendido, y se comenzará el proceso de adopción.

¿Qué pasaría con el padre/madre o adulto que entregó al bebé?
Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?
La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente han estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a que pasara si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, informéle que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Ángeles.

Historia de un bebé
A finales de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsación del bebé esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría en vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una familia que no había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
2.202.010 Findings and declarations.
2.202.050 Pre-emption.

2.202.010 Findings and declarations.

A. The board of supervisors finds that, in order to promote integrity in the county's contracting processes and to protect the public interest, the county's policy shall be to conduct business only with responsible contractors. The board of supervisors further finds that debarment is to be imposed only in the public interest for the county's protection and not for the purpose of punishment.

B. Determinations of contractor non-responsibility and contractor debarment shall be made in accordance with the procedures set forth in the ordinance codified in this chapter and implementation instructions issued by the auditor-controller. (Ord. 2005-0066 § 1, 2005: Ord. 2000-0011 § 1 (part), 2000.)

For purposes of this chapter, the following definitions apply:

A. “Contractor” means a person, partnership, corporation, or other entity who has contracted with, or is seeking to contract with, the county or a nonprofit corporation created by the county to provide goods to, or perform services for or on behalf of, the county or a nonprofit corporation created by the county. A contractor includes a contractor, subcontractor, vendor, or any person or entity who or which owns an interest of 10 percent or more in a contractor, subcontractor, or vendor.

B. “Contract” means any agreement to provide goods to, or perform services for or on behalf of, the county or a nonprofit corporation created by the county.

C. “Debarment” means an action taken by the county which results in a contractor being prohibited from bidding or proposing on, being awarded and/or performing work on a contract with the county. A contractor who has been determined by the county to be subject to such a prohibition is “debarred.”

D. “Department head” means either the head of a department responsible for administering a particular contract for the county or the designee of same.

E. “County” means the county of Los Angeles, any public entities for which the board of supervisors is the governing body, and any joint powers authorities of which the county is a member that have adopted county contracting procedures.
F. “Contractor hearing board” means the persons designated to preside over contractor debarment hearings and make recommendations on debarment to the board of supervisors.

G. Determination of “non-responsibility” means an action taken by the county which results in a contractor who submitted a bid or proposal on a particular contract being prohibited from being awarded and/or performing work on that contract. A contractor who has been determined by the county to be subject to such a prohibition is “non-responsible” for purposes of that particular contract.

A. Prior to a contract being awarded by the county, the county may determine that a contractor submitting a bid or proposal is non-responsible for purposes of that contract. In the event that the county determines that a contractor is non-responsible for a particular contract, said contractor shall be prohibited from being awarded and/or performing work on that contract.

B. The county may declare a contractor to be non-responsible for purposes of a particular contract if the county, in its discretion, finds that the contractor has done any of the following: (1) violated a term of a contract with the county or a nonprofit corporation created by the county; (2) committed an act or omission which negatively reflects on the contractor’s quality, fitness, or capacity to perform a contract with the county, any other public entity, or a nonprofit corporation created by the county, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.

C. The decision by the county to find a contractor non-responsible for a particular contract is within the discretion of the county. The seriousness and extent of the contractor’s acts, omissions, patterns, or practices as well as any relevant mitigating or aggravating factors, including those described in Subsection 2.202.040 (E) below, may be considered by the county in determining whether a contractor should be deemed non-responsible.

D. Before making a determination of non-responsibility pursuant to this chapter, the department head shall give written notice to the contractor of the basis for the proposed non-responsibility determination, and shall advise the contractor that a non-responsibility hearing will be scheduled on a date certain. Thereafter, the department head shall conduct a hearing where evidence on the proposed non-responsibility determination is presented. The contractor and/or attorney or other authorized representative of the contractor shall be afforded an opportunity to appear at the non-responsibility hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence. After such hearing, the department head shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be found non-responsible with respect to the contract(s) at issue. A record of the hearing, the proposed decision, and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of
evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the department head. A non-responsibility finding shall become final upon approval by the board of supervisors. (Ord. 2005-0066 § 3, 2005: Ord. 2004-0009 § 2, 2004: Ord. 2000-0011 § 1 (part), 2000.)

A. The county may debar a contractor who has had a contract with the county in the preceding three years and/or a contractor who has submitted a bid or proposal for a new contract with the county.

B. The county may debar a contractor if the county finds, in its discretion, that the contractor has done any of the following: (1) violated a term of a contract with the county or a nonprofit corporation created by the county; (2) committed an act or omission which negatively reflects on the contractor's quality, fitness, or capacity to perform a contract with the county, any other public entity, or a nonprofit corporation created by the county, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.

C. The decision by the county to debar a contractor is within the discretion of the county. The seriousness and extent of the contractor's acts, omissions, patterns, or practices as well as any relevant mitigating or aggravating factors, including those described in Subsection (E) below, may be considered by the county in determining whether to debar a contractor and the period of debarment. Generally, the period of debarment should not exceed five years. However, if circumstances warrant, the county may impose a longer period of debarment up to and including permanent debarment.

D. To impose a debarment period of longer than five years, and up to and including permanent debarment, in addition to the grounds described in Subsection (B) above, the county shall further find that the contractor's acts or omissions are of such an extremely serious nature that removal of the contractor from future county contracting opportunities for the specified period is necessary to protect the county's interests.

E. Mitigating and aggravating factors that the county may consider in determining whether to debar a contractor and the period of debarment include but are not limited to: (1) The actual or potential harm or impact that results or may result from the wrongdoing. (2) The frequency and/or number of incidents and/or duration of the wrongdoing. (3) Whether there is a pattern or prior history of wrongdoing. (4) A contractor's overall performance record. For example, the county may evaluate the contractor's activity cited as the basis for the debarment in the broader context of the contractor's overall performance history. (5) Whether a contractor is or has been debarred, found non-responsible, or disqualified by another public entity on a basis of conduct similar to one or more of the grounds for debarment specified in this Section.
(6) Whether a contractor’s wrongdoing was intentional or inadvertent. For example, the county may consider whether and to what extent a contractor planned, initiated, or carried out the wrongdoing.

(7) Whether a contractor has accepted responsibility for the wrongdoing and recognizes the seriousness of the misconduct that led to the grounds for debarment and/or has taken corrective action to cure the wrongdoing, such as establishing ethics training and implementing programs to prevent recurrence.

(8) Whether and to what extent a contractor has paid or agreed to pay criminal, civil, and administrative liabilities for the improper activity, and to what extent, if any, has the contractor made or agreed to make restitution.

(9) Whether a contractor has cooperated fully with the county during the investigation, and any court or administrative action. In determining the extent of cooperation, the county may consider when the cooperation began and whether the contractor disclosed all pertinent information known to the contractor.

(10) Whether the wrongdoing was pervasive within a contractor’s organization.

(11) The positions held by the individuals involved in the wrongdoing.

(12) Whether a contractor’s principals participated in, knew of, or tolerated the offense.

(13) Whether a contractor brought the activity cited as a basis for the debarment to the attention of the county in a timely manner.

(14) Whether a contractor has fully investigated the circumstances surrounding the cause for debarment and, if so, made the result of the investigation available to the county.

(15) Whether a contractor had effective standards of conduct and internal control systems in place at the time the questioned conduct occurred.

(16) Whether a contractor has taken appropriate disciplinary action against the individuals responsible for the activity which constitutes the cause for debarment.

(17) Other factors that are appropriate to the circumstances of a particular case.

F. Before making a debarment determination pursuant to this chapter, the department head shall give written notice to the contractor of the basis for the proposed debarment, and shall advise the contractor that a debarment hearing will be scheduled on a date certain. The contractor hearing board shall conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or attorney or other authorized representative must be given an opportunity to appear at the debarment hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence at that hearing. After such hearing, the contractor hearing board shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred and, if so, the appropriate length of time for the debarment. A record of the hearing, the proposed decision, and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the contractor hearing board. A debarment finding shall become final upon the approval of the board of supervisors.

G. In making a debarment determination, the board of supervisors may also, in its discretion and consistent with the terms of any existing contracts that the contractor may have with the county, terminate any or all such existing contracts. In the event that any existing contract is
terminated by the board of supervisors, the county shall maintain the right to pursue all other rights and remedies provided by the contract and/or applicable law.

H. With respect to a contractor who has been debarred for a period longer than five years, the contractor may, after the debarment has been in effect for at least five years, request that the county review the debarment determination to reduce the period of debarment or terminate the debarment. The county may consider a contractor’s request to review a debarment determination based upon the following circumstances: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the county. A request for review shall be in writing, supported by documentary evidence, and submitted to the chair of the contractor hearing board. The chair of the contractor hearing board may either: 1) determine that the written request is insufficient on its face and deny the contractor’s request for review; or (2) schedule the matter for consideration by the contractor hearing board which shall hold a hearing to consider the contractor’s request for review, and, after the hearing, prepare a proposed decision and a recommendation to be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the contractor hearing board. A reduction of the period of the debarment or termination of the debarment shall become final upon the approval of the board of supervisors. (Ord. 2005-0066 § 4, 2005: Ord. 2004-0009 § 3, 2004: Ord. 2000-0011 § 1 (part), 2000.)

2.202.050 Pre-emption.

In the event any contract is subject to federal and/or state laws that are inconsistent with the terms of the ordinance codified in this chapter, such laws shall control. (Ord. 2000-0011 § 1 (part), 2000.)

If any section, subsection, subpart or provision of this chapter, or the application thereof to any person or circumstances, is held invalid, the remainder of the provisions of this chapter and the application of such to other persons or circumstances shall not be affected thereby. (Ord. 2000-0011 § 1 (part), 2000.)
GUIDELINES FOR ASSESSMENT OF PROPOSER LABOR LAW/PAYROLL VIOLATIONS

Intentionally Omitted. These guidelines are related to the Living Wage Program which is excluded from national programs.
There is a keen public interest in preventing misuse of charitable contributions. California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates those raising and receiving charitable contributions. The “Nonprofit Integrity Act of 2004” (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over $2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Exhibit 20).

In California, supervision of charities is the responsibility of the Attorney General, whose website, http://ag.ca.gov/ contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The “Supervision of Trustees and Fundraisers for Charitable Purposes Act” is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations (“advertising”) are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: http://ag.gov/charities/statutes.php/
2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the Center for Nonprofit Management, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 http://www.cnmsocal.org/, and statewide, the California Association of Nonprofits, http://www.canonprofits.org/. Both organizations’ websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, provided under this sub-section of this Appendix N is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the County of Los Angeles of such organizations.
2.206.010 Findings and declarations.

The Board of Supervisors finds that significant revenues are lost each year as a result of taxpayers who fail to pay their tax obligations on time. The delinquencies impose an economic burden upon the County and its taxpayers. Therefore, the Board of Supervisors establishes the goal of ensuring that individuals and businesses that benefit financially from contracts with the County fulfill their property tax obligation. (Ord. No. 2009-0026 § 1 (part), 2009.)

2.206.020 Definitions.

The following definitions shall be applicable to this chapter:
A. “Contractor” shall mean any person, firm, corporation, partnership, or combination thereof, which submits a bid or proposal or enters into a contract or agreement with the County.
B. “County” shall mean the county of Los Angeles or any public entities for which the Board of Supervisors is the governing body.
C. “County Property Taxes” shall mean any property tax obligation on the County's secured or unsecured roll; except for tax obligations on the secured roll with respect to property held by a Contractor in a trust or fiduciary capacity or otherwise not beneficially owned by the Contractor.
D. “Department” shall mean the County department, entity, or organization responsible for the solicitation and/or administration of the contract.
E. “Default” shall mean any property tax obligation on the secured roll that has been deemed defaulted by operation of law pursuant to California Revenue and Taxation Code section 3436; or any property tax obligation on the unsecured roll that remains unpaid on the applicable delinquency date pursuant to California Revenue and Taxation Code section 2922; except for any property tax obligation dispute pending before the Assessment Appeals Board.
F. “Solicitation” shall mean the County’s process to obtain bids or proposals for goods and services.
G. “Treasurer-Tax Collector” shall mean the Treasurer and Tax Collector of the County of Los Angeles. (Ord. No. 2009-0026 § 1 (part), 2009.)

2.206.030 Applicability.

This chapter shall also apply to all new, renewed, extended, and/or amended contracts entered into 60 days after the effective date of the ordinance codified in this chapter. (Ord. No. 2009-0026 § 1 (part), 2009.)
2.206.040 Required solicitation and contract language.

All solicitations and all new, renewed, extended, and/or amended contracts shall contain language which:
A. Requires any Contractor to keep County Property Taxes out of Default status at all times during the term of an awarded contract;
B. Provides that the failure of the Contractor to comply with the provisions in this chapter may prevent the Contractor from being awarded a new contract; and
C. Provides that the failure of the Contractor to comply with the provisions in this chapter may constitute a material breach of an existing contract, and failure to cure the breach within 10 days of notice by the County by paying the outstanding County Property Tax or making payments in a manner agreed to and approved by the Treasurer-Tax Collector, may subject the contract to suspension and/or termination. (Ord. No. 2009-0026 § 1 (part), 2009.)

2.206.050 Administration and compliance certification.

A. The Treasurer-Tax Collector shall be responsible for the administration of this chapter. The Treasurer-Tax Collector shall, with the assistance of the Chief Executive Officer, Director of Internal Services, and County Counsel, issue written instructions on the implementation and ongoing administration of this chapter. Such instructions may provide for the delegation of functions to other departments.
B. Contractor shall be required to certify, at the time of submitting any bid or proposal to the County, or entering into any new contract, or renewal, extension or amendment of an existing contract with the County, that it is in compliance with this chapter is not in Default on any County Property Taxes or is current in payments due under any approved payment arrangement. (Ord. No. 2009-0026 § 1 (part), 2009.)

2.206.060 Exclusions/Exemptions.

A. This chapter shall not apply to the following contracts:
1. Chief Executive Office delegated authority agreements under $50,000;
2. A contract where federal or state law or a condition of a federal or state program mandates the use of a particular contractor;

Participating Public Agencies

Today more than 65,000 public agencies utilize U.S. Communities contracts and suppliers to procure over $1.5 Billion Dollars in products and services annually. Each month more than 400 new public agencies register to participate. The continuing rapid growth of public agency participation is fueled by the program's proven track record of providing public agencies unparalleled value.

The Supplier(s) must communicate directly with any Participating Public Agency concerning the placement of orders, issuance of the purchase order, contractual disputes, invoicing, and payment.

County of Los Angeles is acting as "Contracting Agent" for the Participating Public Agencies and shall not be held liable for any costs, damages, expenses, fees, liabilities, etc. incurred by any other Participating Public Agency.

Each Participating Public Agency enters into a Master Intergovernmental Cooperative Purchasing Agreement (MICPA) outlining the terms and conditions that allow access to the Lead Public Agencies’ Master Agreements. Under the terms of the MICPA, the procurement by the Participating Public Agency shall be construed to be in accordance with, and governed by, the laws of the state in which the Participating Public Agency resides. A copy of the MICPA is attached hereto in Appendix I, Section 8.

Estimated Volume

The estimated dollar volume of Products and Services purchased under the proposed Master Agreement is $100 Million Dollars annually. This estimate is based on the anticipated volume of the Lead Public Agency, the U.S. Communities Advisory Board members, and current sales within the U.S. Communities program. While there is no minimum quantity of products required to be purchased under the proposed Master Agreement, County of Los Angeles and the U.S. Communities Advisory Board Members are committed to utilizing the Master Agreement. The Advisory Board members shall determine if the Master Agreement is of value to their agency, and will promote the Master Agreement among other public agencies nationwide and internationally. The Advisory Board in 2013 purchased more than $146 Million Dollars of products and services from existing U.S. Communities contracts.

Marketing Support

U. S. Communities provides marketing support for each Supplier’s products through the following:

- National Sponsors as referenced above.
- State Associations of Counties, Schools and Municipal Leagues.
- Administrative and marketing personnel that directly promote the U.S. Communities Suppliers to Participating Public Agencies through public agency meetings, direct mail, national publications, annual meetings and a network of K-12, City, County, Higher Education and State Associations.
• U.S. Communities provides Suppliers government sales training, and a host of online marketing and sales management tools to effectively increase sales through U.S. Communities.

Marketplace

U.S. Communities has developed an online Marketplace, which gives Participating Public Agencies the ability to purchase from many U.S. Communities contracts directly from our website. The Marketplace makes it easier for Participating Public Agencies to access many contracts through a single login and place orders using a procurement card, credit card or purchase order. Suppliers have the ability to add their products to the Marketplace at no cost.

Multiple Awards

Multiple awards may be issued as a result of the solicitation. Multiple Awards will ensure that any ensuing Master Agreements fulfill current and future requirements of the diverse and large number of Participating Public Agencies.

Evaluation of Proposals

Proposals will be evaluated by the Lead Public Agency in accordance with, and subject to, the relevant statutes, ordinances, rules and regulations that govern its procurement practices.

U.S. Communities Advisory Board members and other Participating Public Agencies will assist the Lead Public Agency in evaluating proposals. The Supplier(s) that respond(s) affirmatively meets the requirements of this Request for Proposal and provides the best overall value will be eligible for a contract award. U.S. Communities reserves the right to make available or not make available Master Agreements awarded by a Lead Public Agency to Participating Public Agencies.
SUPPLIER QUALIFICATIONS

4. SUPPLIERS

Commitments

U.S. Communities views the relationship with an awarded Supplier as an opportunity to provide maximum benefit to both the Participating Public Agencies and to the Supplier.

The successful foundation of the partnership requires commitments from both U.S. Communities and the Supplier. U.S. Communities requires the Supplier to make the four commitments set forth below (Corporate, Pricing, Economy, Sales) to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies:

(a) **Corporate Commitment**

(i) The pricing, terms and conditions of the Master Agreement shall, at all times, be Supplier’s primary contractual offering of Products and Services to Public Agencies. All of Supplier’s direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier’s primary offering and not just one of Supplier’s contract options.

(ii) Supplier’s sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iii) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(iv) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(v) Supplier shall ensure that the U.S. Communities program and the Master Agreement are actively supported by Supplier’s senior executive management.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier’s Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from U.S. Communities concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier’s staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier’s U.S. Communities program and linked to U.S. Communities’ website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the U.S. Communities program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.
(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state’s request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

(b) **Pricing Commitment**

(i) Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier’s pricing shall be evaluated on either an overall project basis or the Public Agency’s actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency’s unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency’s purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier’s obligation to match the pricing under Supplier’s contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) **Deviating Buying Patterns.** Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier’s pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) **Supplier’s Options in Responding to a Third Party Procurement Solicitation.** While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:
(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in the Administration Agreement, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) **Economy Commitment.** Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

(d) **Sales Commitment.** Supplier shall market the Master Agreement through Supplier’s sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier’s primary offering to Public Agencies. Supplier’s sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) **Supplier Sales.** Supplier shall be responsible for proactive direct sales of Supplier’s Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product catalogs, targeted advertising, direct mail and other sales initiatives are encouraged. All of Supplier’s sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S. Communities. U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, Supplier grants to U.S. Communities an express license to reproduce and use Supplier’s name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist U.S. Communities by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the best
government pricing, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) Branding and Logo Compliance. Supplier shall be responsible for complying with the U.S. Communities branding and logo standards and guidelines. Prior to use by Supplier, all U.S. Communities related marketing material must be submitted to U.S. Communities for review and approval.

(iii) Sales Force Training. Supplier shall train its national sales force on the Master Agreement and U.S. Communities program. U.S. Communities shall be available to train regional or district managers and generally assist with the education of sales personnel.

(iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:

(A) A dedicated U.S. Communities internet web-based homepage containing:
   (1) U.S. Communities standard logo with Founding Co-Sponsors logos;
   (2) Copy of original procurement solicitation;
   (3) Copy of Master Agreement including any amendments;
   (4) Summary of Products and Services pricing;
   (5) Electronic link to U.S. Communities’ online registration page; and
   (6) Other promotional material as requested by U.S. Communities.

(B) A dedicated toll-free national hotline for inquiries regarding U.S. Communities.

(C) A dedicated email address for general inquiries in the following format: uscommunities@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed U.S. Communities’ online registration process prior to processing the Public Agency’s first sales order.

(vi) Supplier’s Performance Review. Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S. Communities to evaluate Supplier’s performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively "Supplier Content") for use on U.S. Communities websites and for general marketing and publicity purposes. Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, perpetual, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to U.S.
Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party.
5. **U.S. Communities Administration Agreement Information**

The Supplier is required to execute the U.S. Communities Administration Agreement unaltered (attached hereto in Appendix L, Section 7) prior to the award of the U.S. Communities contract. The Agreement outlines the Supplier’s general duties and responsibilities in implementing the U.S. Communities contract.

The executed U.S. Communities Administration Agreement is required to be submitted with the supplier’s proposal without exception or alteration. Failure to do so will result in disqualification.

WHEREAS, U.S. Communities and Supplier desire to enter into this Agreement to make available the Master Agreement to Participating Public Agencies.

NOW, THEREFORE, in consideration of the payments to be made hereunder and the mutual covenants contained in this Agreement, U.S. Communities and Supplier hereby agree as follows:

ARTICLE I

GENERAL TERMS AND CONDITIONS

1.1 The Master Agreement, attached hereto as Exhibit A and incorporated herein by reference as though fully set forth herein, and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement.

1.2 U.S. Communities shall be afforded all of the rights, privileges and indemnifications afforded to Lead Public Agency under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to U.S. Communities under this Agreement including, without limitation, Supplier’s obligation to provide insurance and certain indemnifications to Lead Public Agency.
1.3 Supplier shall perform all duties, responsibilities and obligations required under the Master Agreement in the time and manner specified by the Master Agreement.

1.4 U.S. Communities shall perform all of its duties, responsibilities and obligations as administrator of purchases under the Master Agreement as set forth herein, and Supplier acknowledges that U.S. Communities shall act in the capacity of administrator of purchases under the Master Agreement.

1.5 With respect to any purchases made by Lead Public Agency or any Participating Public Agency pursuant to the Master Agreement, U.S. Communities (a) shall not be construed as a dealer, remarketer, representative, partner, or agent of any type of Supplier, Lead Public Agency or such Participating Public Agency, (b) shall not be obligated, liable or responsible (i) for any orders made by Lead Public Agency, any Participating Public Agency or any employee of Lead Public Agency or a Participating Public Agency under the Master Agreement, or (ii) for any payments required to be made with respect to such order, and (c) shall not be obligated, liable or responsible for any failure by a Participating Public Agency to (i) comply with procedures or requirements of applicable law, or (ii) obtain the due authorization and approval necessary to purchase under the Master Agreement. U.S. Communities makes no representations or guaranties with respect to any minimum purchases required to be made by Lead Public Agency, any Participating Public Agency, or any employee of Lead Public Agency or a Participating Public Agency under this Agreement or the Master Agreement.

ARTICLE II

TERM OF AGREEMENT

2.1 This Agreement is effective as of ____________________ and shall terminate upon termination of the Master Agreement or any earlier termination in accordance with the terms of this Agreement, provided, however, that the obligation to pay all amounts owed by Supplier to U.S. Communities through the termination of this Agreement and all indemnifications afforded by Supplier to U.S. Communities shall survive the term of this Agreement.

ARTICLE III

REPRESENTATIONS AND COVENANTS

3.1 U.S. Communities views the relationship with Supplier as an opportunity to provide benefits to both Public Agencies and Supplier. The successful foundation of the relationship requires certain representations and covenants from both U.S. Communities and Supplier.

3.2 U.S. Communities’ Representations and Covenants.

(a) Marketing. U.S. Communities shall proactively market the Master Agreement to Public Agencies using resources such as a network of major sponsors including the National League of Cities (NLC), National Association of Counties (NACo), United States Conference of Mayors (USCM), Association of School Business Officials (ASBO) and National Institute of Governmental Purchasing (NIGP) (collectively, the “Founding Co-Sponsors”) and individual state-level sponsors. In addition, the U.S. Communities staff shall enhance Supplier’s marketing efforts through meetings with Public Agencies, participation in key events and tradeshows and by providing online tools to Supplier’s sales force.
(b) **Training and Knowledge Management Support.** U.S. Communities shall provide support for the education, training and engagement of Supplier’s sales force as provided herein. Through its staff (each, a “Program Manager” and collectively, the “Program Managers”), U.S. Communities shall conduct training sessions with Supplier and shall conduct calls jointly with Supplier to Public Agencies. U.S. Communities shall also provide Supplier with access to U.S. Communities’ private intranet website which provides presentations, documents and information to assist Supplier’s sales force in effectively promoting the Master Agreement.

3.3 **Supplier’s Representations and Covenants.** Supplier hereby represents and covenants as follows in order to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies (such representations and covenants are sometimes referred to as “Supplier’s Commitments” and are comprised of the Corporate Commitment, Pricing Commitment, Economy Commitment and Sales Commitment):

(a) **Corporate Commitment.**

(i) The pricing, terms and conditions of the Master Agreement shall, at all times, be Supplier’s primary contractual offering of Products and Services to Public Agencies. All of Supplier’s direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier’s primary offering and not just one of Supplier’s contract options.

(ii) Supplier’s sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iii) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(iv) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(v) Supplier shall ensure that the U.S. Communities program and the Master Agreement are actively supported by Supplier’s senior executive management.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier’s Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from U.S. Communities concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier’s staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier’s U.S. Communities program and linked to U.S. Communities’ website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the U.S. Communities program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.

(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state’s request. Regardless of whether the state decides
to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

(b) **Pricing Commitment.**

(i) Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier’s pricing shall be evaluated on either an overall project basis or the Public Agency’s actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency’s unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency’s purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier’s obligation to match the pricing under Supplier’s contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) **Deviating Buying Patterns.** Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier’s pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) **Supplier’s Options in Responding to a Third Party Procurement Solicitation.** While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:
(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) **Economy Commitment.** Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

(d) **Sales Commitment.** Supplier shall market the Master Agreement through Supplier’s sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier’s primary offering to Public Agencies. Supplier’s sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) **Supplier Sales.** Supplier shall be responsible for proactive direct sales of Supplier’s Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product catalogs, targeted advertising, direct mail and other sales initiatives are encouraged. All of Supplier’s sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier’s use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S. Communities. U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide U.S. Communities with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier’s name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist U.S. Communities by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the best
government pricing, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) Branding and Logo Compliance. Supplier shall be responsible for complying with the U.S. Communities branding and logo standards and guidelines. Prior to use by Supplier, all U.S. Communities related marketing material must be submitted to U.S. Communities for review and approval.

(iii) Sales Force Training. Supplier shall train its national sales force on the Master Agreement and U.S. Communities program. U.S. Communities shall be available to train regional or district managers and generally assist with the education of sales personnel.

(iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:

(A) A dedicated U.S. Communities internet web-based homepage containing:

1. U.S. Communities standard logo with Founding Co-Sponsors logos;
2. Copy of original procurement solicitation;
3. Copy of Master Agreement including any amendments;
4. Summary of Products and Services pricing;
5. Electronic link to U.S. Communities’ online registration page; and
6. Other promotional material as requested by U.S. Communities.

(B) A dedicated toll-free national hotline for inquiries regarding U.S. Communities.

(C) A dedicated email address for general inquiries in the following format: uscommunities@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed U.S. Communities’ online registration process prior to processing the Public Agency’s first sales order.

(vi) Supplier’s Performance Review. Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S. Communities to evaluate Supplier’s performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively “Supplier Content”) for use on U.S. Communities websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided
to U.S. Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party.

3.4 Breach of Supplier’s Representations and Covenants. The representations and covenants set forth in this Agreement are the foundation of the relationship between U.S. Communities and Supplier. If Supplier is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Agreement, Supplier shall have ninety (90) days from the notice of default to cure such violation or non-compliance and, if Supplier fails to cure such violation or non-compliance within such notice period, it shall be deemed a cause for immediate termination of the Master Agreement at Lead Public Agency’s sole discretion or this Agreement at U.S. Communities’ sole discretion.

3.5 Indemnity. Supplier hereby agrees to indemnify and defend U.S. Communities, and its parent companies, subsidiaries, affiliates, shareholders, member, manager, officers, directors, employees, agents, and representatives from and against any and all claims, costs, proceedings, demands, losses, damages, and expenses (including, without limitation, reasonable attorney's fees and legal costs) of any kind or nature, arising from or relating to, any actual or alleged breach of any of Supplier's representations, warranties, or covenants in this Agreement.

ARTICLE IV

PRICING AUDITS

4.1 Supplier shall, at Supplier’s sole expense, maintain an accounting of all purchases made by Lead Public Agency and Participating Public Agencies under the Master Agreement. U.S. Communities and Lead Public Agency each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. U.S. Communities shall have the authority to conduct random audits of Supplier’s pricing that is offered to Participating Public Agencies at U.S. Communities’ sole cost and expense. Notwithstanding the foregoing, in the event that U.S. Communities is made aware of any pricing being offered to three (3) or more Participating Public Agencies that is materially inconsistent with the pricing under the Master Agreement, U.S. Communities shall have the ability to conduct a reasonable audit of Supplier’s pricing at Supplier’s sole cost and expense during regular business hours upon reasonable notice. U.S. Communities may conduct the audit internally or may engage a third-party auditing firm on a non-contingent basis. Supplier shall solely be responsible for the cost of the audit up to the first $50,000 and U.S. Communities and Supplier shall each be responsible for fifty percent (50%) of the audit costs that exceed $50,000. In the event of an audit, the requested materials shall be provided in the format and at the location where kept in the ordinary course of business by Supplier.

ARTICLE V

FEES & REPORTING

5.1 Administrative Fees. Supplier shall pay to U.S. Communities a monthly administrative fee based upon the total sales price of all purchases shipped and billed pursuant to the Master Agreement, excluding taxes, in the amount of two percent (2%) of aggregate purchases made during each calendar month (individually and collectively, “Administrative Fees”). Supplier’s annual sales shall be measured on a calendar year basis. All Administrative Fees shall be payable in U.S. Dollars and shall be made by
wire to U.S. Communities, or its designee or trustee as may be directed in writing by U.S. Communities. Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month for purchases shipped and billed during such calendar month. U.S. Communities agrees to pay to Lead Public Agency five percent (5%) of all Administrative Fees received from Supplier to help offset Lead Public Agency’s costs incurred in connection with managing the Master Agreement nationally.

5.2 Sales Reports. Within thirty (30) days of the end of each calendar month, Supplier shall deliver to U.S. Communities an electronic accounting report, in the format prescribed by Exhibit B, attached hereto, summarizing all purchases made under the Master Agreement during such calendar month ("Sales Report"). All purchases indicated in the Sales Report shall be denominated in U.S. Dollars. All purchases shipped and billed pursuant to the Master Agreement for the applicable calendar month shall be included in the Sales Report. U.S. Communities reserves the right upon reasonable advance notice to Supplier to change the prescribed report format to accommodate the distribution of the Administrative Fees to its program sponsors and state associations.

(a) Monthly Sales Reports shall include all sales reporting under the Master Agreement, and a breakout of Environmental Preferable (Green) sales reporting. Supplier must make reasonable attempts at filling in all required information and contact U.S. Communities with a plan to correct any deficiencies of data field population.

(b) Submitted reports shall be verified by U.S. Communities against its registration database. Any data that is inconsistent with the registration database shall be changed prior to processing.

5.3 Exception Reporting/Sales Reports Audits. U.S. Communities or its designee may, at its sole discretion, compare Supplier’s Sales Reports with Participating Public Agency records or other sales analysis performed by Participating Public Agencies, sponsors, advisory board members or U.S. Communities staff. If there is a material discrepancy between the Sales Report and such records or sales analysis as determined by U.S. Communities, U.S. Communities shall notify Supplier in writing and Supplier shall have thirty (30) days from the date of such notice to resolve the discrepancy to U.S. Communities’ reasonable satisfaction. Upon resolution of the discrepancy, Supplier shall remit payment to U.S. Communities’ trustee within fifteen (15) calendar days. Any questions regarding an exception report should be directed to U.S. Communities in writing to reporting@uscommunities.org. If Supplier does not resolve the discrepancy to U.S. Communities’ reasonable satisfaction within thirty (30) days, U.S. Communities shall have the right to engage outside services to conduct an independent audit of Supplier’s reports. Supplier shall solely be responsible for the cost of the audit up to the first $50,000 and U.S. Communities and Supplier shall each be responsible for fifty percent (50%) of the audit costs that exceed $50,000.

5.4 Online Reporting. Within sixty (60) days of the end of each calendar quarter, U.S. Communities shall provide online reporting to Supplier containing Supplier’s sales reporting for such calendar quarter. Supplier shall contact U.S. Communities within fifteen (15) days of receiving notification of the online reporting and report to U.S. Communities any concerns or disputes regarding the reports, including but not limited to concerns regarding the following:

Supplier shall have access to the above reports through the U.S. Communities intranet website. The following additional reports are also available to Supplier and are useful in resolving reporting issues and enabling Supplier to better manage its Master Agreement:

(ii) Hot Prospect Sales Report  
(iii) New Lead Sales Report  
(iv) State Comparison Sales Report  
(v) Advisory Board Usage Report  
(vi) Various Agency Type Comparison Reports

5.5 Supplier’s Failure to Provide Reports or Pay Administrative Fees. Failure to provide a Sales Report or pay Administrative Fees within the time and in the manner specified herein shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Supplier, shall be deemed a cause for termination of the Master Agreement at Lead Public Agency’s sole discretion or this Agreement at U.S. Communities’ sole discretion. All Administrative Fees not paid within thirty (30) days of the end of the previous calendar month shall bear interest at the rate of one and one-half percent (1.5%) per month until paid in full.

ARTICLE VI

MISCELLANEOUS

6.1 Entire Agreement. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.

6.2 Attorney’s Fees. If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and costs in addition to any other relief to which such party may be entitled.

6.3 Assignment.

(a) Supplier. Neither this Agreement nor any rights or obligations hereunder shall be assignable by Supplier without prior written consent of U.S. Communities, and any assignment without such consent shall be void.

(b) U.S. Communities. This Agreement and any rights or obligations hereunder may be assigned by U.S. Communities in U.S. Communities’ sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform U.S. Communities’ obligations hereunder.

6.4 Notices. All reports, notices or other communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery requiring signature on receipt to the addresses as set forth below. U.S. Communities may, by written notice delivered to Supplier, designate any different address to which subsequent reports, notices or other communications shall be sent.

U.S. Communities:  
2999 Oak Road, Suite 710
6.5 Severability. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

6.6 Waiver. Any failure of a party to enforce, for any period of time, any of the provisions under this Agreement shall not be construed as a waiver of such provisions or of the right of said party thereafter to enforce each and every provision under this Agreement.

6.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

6.8 Modifications. This Agreement may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the parties hereto.

6.9 Governing Law; Arbitration. This Agreement will be governed by and interpreted in accordance with the laws of the State of California without regard to any conflict of laws principles. Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this dispute resolution clause, shall be determined by arbitration in Walnut Creek, California, before one (1) arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. The prevailing party will be entitled to recover its reasonable attorneys’ fees and arbitration costs from the other party. The arbitration award shall be final and binding. Each party commits that prior to commencement of arbitration proceedings, the parties shall submit the dispute to JAMS for mediation. The parties will cooperate with JAMS and with one another in selecting a mediator from JAMS panel of neutrals, and in promptly scheduling the mediation proceedings. The parties covenant that they will participate in the mediation in good faith, and that they will share equally in its costs. The mediation will be conducted by each party designating a duly authorized officer or other representative to represent the party with the authority to bind the party, and that the parties agree to exchange informally such information as is reasonably necessary and relevant to the issues being mediated. All offers, promises, conduct, and statements, whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts, and attorneys, and by the mediator or any JAMS employees, are confidential, privileged, and inadmissible for any purpose, including impeachment, in any arbitration or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. If the dispute is not resolved within thirty (30) days from the date of the submission of the dispute to mediation (or such later date as the parties may mutually agree in writing), the administration of the arbitration shall proceed. The mediation may continue, if the parties so agree, after the appointment of the arbitrator. Unless otherwise agreed by the parties, the mediator shall be disqualified from serving as arbitrator in the case. The pendency of a mediation shall not preclude a party from seeking provisional remedies in aid of the arbitration from a court of appropriate jurisdiction, and
the parties agree not to defend against any application for provisional relief on the ground that a mediation is pending.

6.10 Successors and Assigns. This Agreement shall inure to the benefit of and shall be binding upon U.S. Communities, Supplier and any successor and assign thereto; subject, however, to the limitations contained herein.

8. Master Intergovernmental Cooperative Purchasing Agreement

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This agreement is made between certain government agencies that execute a Lead Public Agency Certificate (‘Lead Public Agencies”) to be appended and made a part hereof and other government agencies (“Participating Public Agencies”) that agree to the terms and conditions hereof through the U.S. Communities registration and made a part hereof.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Lead Public Agencies, a number of Suppliers have entered into Master Agreements to provide a variety of goods, products and services based on national and international volumes (herein “Products and Services”);

WHEREAS, Master Agreements are made available by Lead Public Agencies through U.S. Communities and provide that Participating Public Agencies may purchase Products and Services on the same terms, conditions and pricing as the Lead Public Agency, subject to any applicable local purchasing ordinances and the laws of the State of purchase;

WHEREAS, the parties desire to comply with the requirements and formalities of the Intergovernmental Cooperation Act as may be applicable to the laws of the State of purchase;

WHEREAS, the parties hereto desire to conserve resources and reduce procurement cost;

WHEREAS, the parties hereto desire to improve the efficiency, effectiveness and economy of the procurement of necessary Products and Services;

NOW, THEREFORE, in consideration of the mutual promises contained in this agreement, and of the mutual benefits to result, the parties agree as follows:

1. That each party will facilitate the cooperative procurement of Products and Services.

2. That the procurement of Products and Services subject to this agreement shall be conducted in accordance with and subject to the relevant statutes, ordinances, rules and regulations that govern each party’s procurement practices.

3. That the cooperative use of solicitations obtained by a party to this agreement shall be in accordance with the terms and conditions of the solicitation, except as modification of those terms and conditions is otherwise allowed or required by applicable law.

4. That the Lead Public Agencies will make available, upon reasonable request and subject to convenience, information which may assist in improving the effectiveness, efficiency and economy of Participating Public Agencies procurement of Products and Services.

5. That a procuring party will make timely payments to the Supplier for Products and Services received in accordance with the terms and conditions of the procurement. Payment, inspections and acceptance of Products and Services ordered by the procuring party shall be the exclusive obligation of such procuring party. Disputes between procuring party and Supplier are to be resolved in accord with the law and venue rules of the State of purchase.
6. The procuring party shall not use this agreement as a method for obtaining additional concessions or reduced prices for similar products or services.

7. The procuring party shall be responsible for the ordering of Products and Services under this agreement. A non-procuring party shall not be liable in any fashion for any violation by a procuring party, and the procuring party shall hold non-procuring party harmless from any liability that may arise from action or inaction of the procuring party.

8. The exercise of any rights or remedies by the procuring party shall be the exclusive obligation of such procuring party.

9. This agreement shall remain in effect until termination by a party giving 30 days written notice to U.S. Communities at 2033 N. Main Street, Suite 700, Walnut Creek, CA 94596.

10. This agreement shall take effect after execution of the Lead Public Agency Certificate or Participating Public Agency Registration, as applicable.
