1. PURPOSE AND INTENT

North Carolina State University (hereafter referred to as “Lead Public Agency”) on behalf of itself and all states, local governments, school districts, and higher education institutions in the United States of America, and other government agencies and nonprofit organizations through US Communities Government Purchasing Alliance (hereafter referred to as “Participating Public Agencies” or “PPA’s”), seeks proposals from qualified suppliers to enter into a Master Agreement to supply a full line of Rental Equipment (hereafter referred to as “Products and Services”).

Equipment includes, but is not limited to, Construction Equipment (heavy and light), Aerial Lift and Scaffold, Earth Moving, Electrical, Material Handling, etc. A list of the top 100 rented items for the year 2012 is attached for your information (page 75). This background information is provided as general historical data and does not set any minimum or maximum guarantees on future usage of the program.

ALL PRODUCTS OFFERED MUST BE IN LIKE-NEW CONDITION, LATEST DESIGN AND TECHNOLOGY.

OBJECTIVES

A. Provide a comprehensive competitively solicited Master Agreement offering Products and Services to Participating Public Agencies;

B. Establish the Master Agreement as a Supplier’s primary offering to Participating Public Agencies;

C. Achieve cost savings for Suppliers and Participating Public Agencies through a single competitive solicitation process that eliminates the need for multiple bids or proposals;

D. Combine the volumes of Participating Public Agencies to achieve cost effective pricing;

E. Reduce the administrative and overhead costs of Suppliers and Participating Public Agencies through state of the art ordering and delivery systems; and

F. Provide Participating Public Agencies with environmentally responsible products and services.

2. CONTRACT PERIOD

The term of the agreement will be from March 1, 2014 for a period of three (3) years. The University reserves the right, at its sole option and under the same terms and conditions contained in this RFP, to renew for one (1) additional two-year period, not to exceed a total of five (5) contract years.
3. SCOPE OF WORK

3.1 General
The awarded supplier shall provide rental of a variety of types of equipment. Proposal responses shall provide a complete, online inventory list of available products to include product name, typical manufacturer and associated model numbers. It shall be noted if particular equipment is not available at all branch locations. This list is not intended to be all inclusive of any need that may arise. The awarded supplier(s) shall utilize any resources it may have in assisting using agencies with securing the required equipment whether or not it resides in the branch location’s current inventory.

3.2 Pricing
Equipment shall be provided on a daily, weekly and monthly basis. The pricing structure (nationwide, city/state, regional, etc) shall be left up to the proposing supplier to determine. A “book rate” or “published rate” along with any applicable discounts shall be provided to Participating Public Agencies. Multiple discount levels on various pieces of equipment are acceptable as long as they are clearly noted in the response (i.e. market basket/hotlist, etc. items).

3.3 Delivery and other added fees
Delivery of the item to the Participating Public Agency. Delivery, setup and pickup fees, where required, shall be provided to the Participating Public Agency and clearly identified in the proposal response.

Other fees (insurance, environmental recovery fees, cleaning, refueling fees, etc.) shall be separate items and clearly identified in the proposal response. In many cases, the Participating Public Agency will not require insurance or damage waiver, but this shall be provided where required. Participating Public Agencies demonstrating exemption from state/local sales taxes shall not be charged these fees.

3.4 Service level expectations
Any equipment rented shall be guaranteed to be fully functional and capable of performing the task(s) it was designed to perform under the manufacturer’s guidelines. All safety equipment/attachments shall be in place and functioning per the manufacturer’s design. Any equipment not functioning properly (or becoming non-functional) will be picked up and replaced by the supplier at no additional charge to the Participating Public Agency during the rental period. Routine repairs (not caused by misuse of the equipment) shall be provided at no additional cost to the Participating Public Agency.

At the time the Participating Public Agency takes possession of the equipment, the supplier shall provide information regarding current condition and any visual, pre-existing damage to the equipment. The supplier and the Participating Public Agency will review the equipment condition at point of delivery as well as at the point of return. No rental fees may be charged to a Participating Public Agency without a signed receipt of acceptance of the equipment.

The proposal response shall include a sample of any service agreement or contract that the Participating Public Agency will be required to sign. The service agreement shall clearly indicate and describe any and all “point of contact” charges that will be assessed at time of rental. Documents produced for signature after an award is made, which were not submitted with the proposal response, will not be considered or made part of any contract that results from this Participating Public Agency.
At the time of any rental of equipment under the terms of the resulting Agreement, Participating Public Agency representatives may sign the Supplier’s standard Rental Agreement/Delivery Ticket as evidence of receipt of the equipment. Participating Public Agency representatives accepting equipment will not be authorized to obligate or bind the respective agency to contractual terms and conditions; therefore, signature on a Rental Agreement/Delivery Ticket is merely an acknowledgement of receipt of the equipment. The pre-printed terms on the reverse side of the Rental Agreement/Delivery Ticket shall govern the rental transaction only to the extent they are not in addition to, or in conflict of, the terms of the Master Agreement, which shall govern all transactions between the parties.

The proposal response shall define the availability of equipment at the proposed rates in cases of emergency or natural disaster. Describe your firm’s plan for fulfilling the requirements of any resulting contract in instances of emergencies and natural disasters. Will the proposed rates apply in these cases? What circumstances define an emergency or natural disaster?

3.5 Training
The awarded supplier shall provide all operational and safety training associated with any equipment proposed for rent. This includes any OSHA required certifications or licenses associated with rental of provided equipment. The proposal response shall include a complete description (methods of delivery, available locations, duration, content, etc.) along with price structure for each.

4. OPTIONAL LEASE AND/OR PURCHASE OF EQUIPMENT

4.1 General
The awarded supplier may, at its option, respond to this section to provide lease and/or purchase of a variety of types of equipment. Requirements are herein listed. Lease offering may include lease only and/or lease to purchase. Purchase of equipment may include new or used equipment. Financing may be offered should a PPA desire financing and equipment from the supplier.

Proposal responses shall provide a complete, online inventory list of available products to include product name, typical manufacturer and associated model numbers. It shall be noted if particular equipment is not available at all branch locations. This list is not intended to be all inclusive of any need that may arise. The awarded supplier(s) shall utilize any resources it may have in assisting PPA with securing the required equipment whether or not it resides in the branch location’s current inventory.

4.2 Pricing for lease of equipment
Equipment shall be provided on a monthly basis for a specified term. Supplier shall state the various terms (6 month, 12 month, 18 month, 24 month, 36 month, 48 month, etc.) available to PPA and the associated monthly rates. Supplier shall also include in its proposal the costs for PPA’s seeking a lease to purchase option. The pricing structure (nationwide, city/state, regional, etc.) shall be left up to the proposing supplier to determine. Published rates along with applicable discounts shall be provided to PPA’s.

4.3 Pricing for purchase of new or used equipment
Supplier shall provide a discount off of a catalog, published retail list or manufacturer’s list price or provide a mark-up percentage over cost for the purchase of new or used equipment. The pricing structure (nationwide, city/state, regional, etc.) shall be left up to the proposing supplier to determine. A price list along with applicable discounts (if using catalog, published retail list or manufacturer’s list price) or an actual invoice indicating cost of item (if using mark-up percentage
over cost) shall be provided to PPA’s. If offered, costs to finance the purchase of new or used equipment shall be included in supplier’s response.

4.4 Delivery and other added fees
Delivery of the item to the PPA: Delivery, setup and pickup fees, where required, shall be provided to the PPA and clearly identified in the proposal response. Other fees (insurance, environmental recovery fees, etc.) shall be separate items and clearly identified in the proposal response. In many cases, the PPA will not require insurance or damage waiver, but this shall be provided where required. PPA’s demonstrating exemption from state/local sales taxes shall not be charged these fees.

4.5 Service level expectations
Leased equipment: Any equipment leased shall be guaranteed to be fully functional and capable of performing the task(s) it was designed to perform under the manufacturer’s guidelines. All safety equipment/attachments shall be in place and functioning per the manufacturer’s design. Supplier will not be responsible for maintenance or routine repairs. At the time the PPA takes possession of the equipment, the supplier shall provide information regarding current condition and any visual, pre-existing damage to the equipment. The supplier and the PPA will review the equipment condition at point of delivery as well as point of return. No fees may be charged to a PPA without a signed receipt of acceptance of the equipment.

Lease or purchase of new equipment: All purchases of new equipment shall be new, unused, fully functional and capable of performing the task(s) it was designed to perform under the manufacturer’s guidelines. All available manufacturers’ warranties shall apply. No costs may be charged to a PPA without a signed receipt of acceptance of the equipment.

Lease or purchase of used equipment: All used equipment will be fully functional and capable of performing the task(s) it was designed to perform under the manufacturer’s guidelines. All safety equipment/attachments will be in place and functioning per the manufacturer’s design. Any visual or pre-existing damage to the equipment shall be clearly defined in writing and signed off on by the Participating Public Agency making the purchase. The supplier and the PPA will review the equipment condition at point of delivery. No fees may be charged to a PPA without a signed receipt of acceptance of the equipment.

The proposal response shall include a sample of any service agreement, finance agreement or contract that the PPA will be required to sign. Any agreement shall clearly indicate and describe any and all “point of contact” charges that will be assessed prior to lease or purchase. Documents produced for signature after an award is made, which were not submitted with the proposal response, will not be considered or made part of any contract that results from this RFP.

At the time of lease or purchase of equipment under the terms of any resulting Agreement, PPA representatives may sign the supplier’s standard Lease and/or Purchase Agreement/Delivery Ticket as evidence of receipt of the equipment. PPA representatives accepting equipment will not be authorized to obligate or bind the respective agency to contractual terms and conditions; therefore, signature on a Lease and/or Purchase Agreement/Delivery Ticket is merely an acknowledgement of receipt of the equipment. The pre-printed terms on the reverse side of the Lease and/or Purchase Agreement/Delivery Ticket shall govern the transaction only to the extent they are not in addition to, or in conflict of, the terms of the Master Agreement, which shall govern all transactions between the parties.

4.6 Training
The awarded supplier shall provide all operational and safety training associated with any equipment proposed for lease. This includes any OSHA required certifications or licenses associated with rental of provided equipment. The proposal response shall include a complete description (methods of delivery, available locations, duration, content, etc.) along with price structure for each.

Participating Public Agencies

Today more than 57,000 public agencies utilize U.S. Communities contracts and suppliers to procure over $1.3 Billion Dollars in products and services annually. Each month more than 400 new public agencies register to participate. The continuing rapid growth of public agency participation is fueled by the program's proven track record of providing public agencies unparalleled value.

The Supplier(s) must communicate directly with any Participating Public Agency concerning the placement of orders, issuance of the purchase order, contractual disputes, invoicing, and payment.

North Carolina State University is acting as "Contracting Agent" for the Participating Public Agencies and shall not be held liable for any costs, damages, expenses, fees, liabilities, etc. incurred by any other Participating Public Agency.

Each Participating Public Agency enters into a Master Intergovernmental Cooperative Purchasing Agreement (MICPA) outlining the terms and conditions that allow access to the Lead Public Agencies’ Master Agreements. Under the terms of the MICPA, the procurement by the Participating Public Agency shall be construed to be in accordance with, and governed by, the laws of the state in which the Participating Public Agency resides. A copy of the MICPA is attached as Appendix B.

Estimated Volume

The estimated dollar volume of Products and Services purchased under the proposed Master Agreement is $50 Million Dollars annually. This estimate is based on the anticipated volume of the Lead Public Agency, the U.S. Communities Advisory Board members, and current sales within the U.S. Communities program. While there is no minimum quantity of products required to be purchased under the proposed Master Agreement, North Carolina State University and the U.S. Communities Advisory Board Members are committed to utilizing the Master Agreement. The Advisory Board members shall determine if the Master Agreement is of value to their agency, and will promote the Master Agreement among other public agencies nationwide and internationally. The Advisory Board in 2012 purchased more than $135 Million Dollars of products and services from existing U.S. Communities contracts.

- U.S. Communities provides Suppliers government sales training, and a host of online marketing and sales management tools to effectively increase sales through U.S. Communities.

**Marketplace**

U.S. Communities has developed an online Marketplace, which gives Participating Public Agencies the ability to purchase from many U.S. Communities contracts directly from our website. The Marketplace makes it easier for Participating Public Agencies to access many contracts through a single login and place orders using a procurement card, credit card or purchase order. Suppliers have the ability to add their products to the Marketplace at no cost.

**Multiple Awards**

Multiple awards may be issued as a result of the solicitation. Multiple Awards will ensure that any ensuing Master Agreements fulfill current and future requirements of the diverse and large number of Participating Public Agencies.

**Evaluation of Proposals**

U.S. Communities Advisory Board members and other Participating Public Agencies will assist the Lead Public Agency in evaluating proposals. The Supplier(s) that respond(s) affirmatively meets the requirements of this Request for Proposal and provides the best overall value will be eligible for a contract award. U.S. Communities reserves the right to make available or not make available Master Agreements awarded by a Lead Public Agency to Participating Public Agencies.
SUPPLIER QUALIFICATIONS

5. SUPPLIERS

Commitments

U.S. Communities views the relationship with an awarded Supplier as an opportunity to provide maximum benefit to both the Participating Public Agencies and to the Supplier.

The successful foundation of the partnership requires commitments from both U.S. Communities and the Supplier. U.S. Communities requires the Supplier to make the four commitments set forth below (Corporate, Pricing, Economy, Sales) to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies:

(a) **Corporate Commitment**

(i) The pricing, terms and conditions of the Master Agreement shall, at all times, be Supplier’s primary contractual offering of Products and Services to Public Agencies. All of Supplier’s direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier’s primary offering and not just one of Supplier’s contract options.

(ii) Supplier’s sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iii) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(iv) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(v) Supplier shall ensure that the U.S. Communities program and the Master Agreement are actively supported by Supplier’s senior executive management.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier’s Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from U.S. Communities concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier’s staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier’s U.S. Communities program and linked to U.S. Communities’ website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the U.S. Communities program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.
(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state’s request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

(b) **Pricing Commitment.**

(i) Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier’s pricing shall be evaluated on either an overall project basis or the Public Agency’s actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency’s unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency’s purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier’s obligation to match the pricing under Supplier’s contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) **Deviating Buying Patterns.** Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier’s pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) **Supplier’s Options in Responding to a Third Party Procurement**
Solicitation. While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in the Administration Agreement, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) Economy Commitment. Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

(d) Sales Commitment. Supplier shall market the Master Agreement through Supplier’s sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier’s primary offering to Public Agencies. Supplier’s sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) Supplier Sales. Supplier shall be responsible for proactive direct sales of Supplier’s Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product catalogs, targeted advertising, direct mail and other sales initiatives are encouraged. All of Supplier’s sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under
this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from
Supplier's use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S.
Communities. U.S. Communities shall provide Supplier with its logo and the standards to be
employed in the use of the logo. During the term of the Agreement, Supplier grants to U.S.
Communities an express license to reproduce and use Supplier’s name and logo in connection
with the advertising, marketing and promotion of the Master Agreement to Public Agencies.
Supplier shall assist U.S. Communities by providing camera-ready logos and by participating in
related trade shows and conferences. At a minimum, Supplier's sales initiatives shall
communicate that (i) the Master Agreement was competitively solicited by the Lead Public
Agency, (ii) the Master Agreement provides the best government pricing, (iii) there is no cost to
Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) Branding and Logo Compliance. Supplier shall be responsible
for complying with the U.S. Communities branding and logo standards and guidelines. Prior to
use by Supplier, all U.S. Communities related marketing material must be submitted to U.S.
Communities for review and approval.

(iii) Sales Force Training. Supplier shall train its national sales force
on the Master Agreement and U.S. Communities program. U.S. Communities shall be available
to train regional or district managers and generally assist with the education of sales personnel.

(iv) Participating Public Agency Access. Supplier shall establish the
following communication links to facilitate customer access and communication:

(A) A dedicated U.S. Communities internet web-based
homepage containing:

(1) U.S. Communities standard logo with Founding
Co-Sponsors logos;
(2) Copy of original procurement solicitation;
(3) Copy of Master Agreement including any
amendments;
(4) Summary of Products and Services pricing;
(5) Electronic link to U.S. Communities’ online
registration page; and
(6) Other promotional material as requested by U.S.
Communities.

(B) A dedicated toll-free national hotline for inquiries
regarding U.S. Communities.

(C) A dedicated email address for general inquiries in the
following format: uscommunities@(name of
supplier).com.

(v) Electronic Registration. Supplier shall be responsible for

1.2 U.S. Communities shall be afforded all of the rights, privileges and indemnifications afforded to Lead Public Agency under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to U.S. Communities under this Agreement including, without limitation, Supplier’s obligation to provide insurance and certain indemnifications to Lead Public Agency.

ARTICLE III

REPRESENTATIONS AND COVENANTS

3.1 U.S. Communities views the relationship with Supplier as an opportunity to provide benefits to both Public Agencies and Supplier. The successful foundation of the relationship requires certain representations and covenants from both U.S. Communities and Supplier.

3.2 U.S. Communities’ Representations and Covenants.

(a) Marketing. U.S. Communities shall proactively market the Master Agreement to Public Agencies using resources such as a network of major sponsors including the National League of Cities (NLC), National Association of Counties (NACo), United States Conference of Mayors (USCM),
Association of School Business Officials (ASBO) and National Institute of Governmental Purchasing (NIGP) (collectively, the “Founding Co-Sponsors”) and individual state-level sponsors. In addition, the U.S. Communities staff shall enhance Supplier’s marketing efforts through meetings with Public Agencies, participation in key events and tradeshows and by providing online tools to Supplier’s sales force.

(b) Training and Knowledge Management Support. U.S. Communities shall provide support for the education, training and engagement of Supplier’s sales force as provided herein. Through its staff (each, a “Program Manager” and collectively, the “Program Managers”), U.S. Communities shall conduct training sessions with Supplier and shall conduct calls jointly with Supplier to Public Agencies. U.S. Communities shall also provide Supplier with access to U.S. Communities’ private intranet website which provides presentations, documents and information to assist Supplier’s sales force in effectively promoting the Master Agreement.

3.3 Supplier’s Representations and Covenants. Supplier hereby represents and covenants as follows in order to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies (such representations and covenants are sometimes referred to as “Supplier’s Commitments” and are comprised of the Corporate Commitment, Pricing Commitment, Economy Commitment and Sales Commitment):

(a) Corporate Commitment.

(i) The pricing, terms and conditions of the Master Agreement shall, at all times, be Supplier’s primary contractual offering of Products and Services to Public Agencies. All of Supplier’s direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier’s primary offering and not just one of Supplier’s contract options.

(ii) Supplier’s sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iii) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(iv) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(v) Supplier shall ensure that the U.S. Communities program and the Master Agreement are actively supported by Supplier’s senior executive management.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier’s Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from U.S. Communities concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier’s staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier’s U.S. Communities program and linked to U.S. Communities’ website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the U.S.
Communities program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.

(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state’s request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

(b) **Pricing Commitment.**

(i) Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier’s pricing shall be evaluated on either an overall project basis or the Public Agency’s actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency’s unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency’s purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier’s obligation to match the pricing under Supplier’s contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) **Deviating Buying Patterns.** Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier’s pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) **Supplier’s Options in Responding to a Third Party Procurement Solicitation.** While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on
to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) **Economy Commitment.** Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

(d) **Sales Commitment.** Supplier shall market the Master Agreement through Supplier’s sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier’s primary offering to Public Agencies. Supplier’s sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) **Supplier Sales.** Supplier shall be responsible for proactive direct sales of Supplier’s Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product catalogs, targeted advertising, direct mail and other sales initiatives are encouraged. All of Supplier’s sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S. Communities. U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, Supplier grants to U.S. Communities an express license to reproduce and use Supplier’s name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall
assist U.S. Communities by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the best government pricing, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) **Branding and Logo Compliance.** Supplier shall be responsible for complying with the U.S. Communities branding and logo standards and guidelines. Prior to use by Supplier, all U.S. Communities related marketing material must be submitted to U.S. Communities for review and approval.

(iii) **Sales Force Training.** Supplier shall train its national sales force on the Master Agreement and U.S. Communities program. U.S. Communities shall be available to train regional or district managers and generally assist with the education of sales personnel.

(iv) **Participating Public Agency Access.** Supplier shall establish the following communication links to facilitate customer access and communication:

(A) A dedicated U.S. Communities internet web-based homepage containing:

(1) U.S. Communities standard logo with Founding Co-Sponsors logos;
(2) Copy of original procurement solicitation;
(3) Copy of Master Agreement including any amendments;
(4) Summary of Products and Services pricing;
(5) Electronic link to U.S. Communities’ online registration page; and
(6) Other promotional material as requested by U.S. Communities.

(B) A dedicated toll-free national hotline for inquiries regarding U.S. Communities.

(C) A dedicated email address for general inquiries in the following format: uscommunities@(name of supplier).com.

(v) **Electronic Registration.** Supplier shall be responsible for ensuring that each Public Agency has completed U.S. Communities’ online registration process prior to processing the Public Agency’s first sales order.

(vi) **Supplier’s Performance Review.** Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S. Communities to evaluate Supplier’s performance of the covenants set forth in this Agreement.

(vii) **Supplier Content.** Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively "Supplier Content") for use on U.S. Communities websites and for general marketing and publicity purposes. Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, perpetual, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the
right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to U.S. Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party.

3.4 Breach of Supplier’s Representations and Covenants. The representations and covenants set forth in this Agreement are the foundation of the relationship between U.S. Communities and Supplier. If Supplier is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Agreement, Supplier shall have ninety (90) days from the notice of default to cure such violation or non-compliance and, if Supplier fails to cure such violation or non-compliance within such notice period, it shall be deemed a cause for immediate termination of the Master Agreement at Lead Public Agency’s sole discretion or this Agreement at U.S. Communities’ sole discretion.

3.5 Indemnity. Supplier hereby agrees to indemnify and defend U.S. Communities, and its parent companies, subsidiaries, affiliates, shareholders, member, manager, officers, directors, employees, agents, and representatives from and against any and all claims, costs, proceedings, demands, losses, damages, and expenses (including, without limitation, reasonable attorney's fees and legal costs) of any kind or nature, arising from or relating to, any actual or alleged breach of any of Supplier's representations, warranties, or covenants in this Agreement.

ARTICLE IV
PRICING AUDITS

4.1 Supplier shall, at Supplier’s sole expense, maintain an accounting of all purchases made by Lead Public Agency and Participating Public Agencies under the Master Agreement. U.S. Communities and Lead Public Agency each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. U.S. Communities shall have the authority to conduct random audits of Supplier’s pricing that is offered to Participating Public Agencies at U.S. Communities’ sole cost and expense. Notwithstanding the foregoing, in the event that U.S. Communities is made aware of any pricing being offered to Participating Public Agencies that is materially inconsistent with the pricing under the Master Agreement, U.S. Communities shall have the ability to conduct an extensive audit of Supplier’s pricing at Supplier’s sole cost and expense. U.S. Communities may conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Lead Public Agency or U.S. Communities.

ARTICLE V
FEES & REPORTING

5.1 Administrative Fees. Supplier shall pay to U.S. Communities a monthly administrative fee based upon the total sales price of all purchases shipped and billed pursuant to the Master Agreement, excluding taxes, in the amount of two percent (2%) of aggregate purchases made during each calendar month (individually and collectively, “Administrative Fees”). Supplier’s annual sales shall be measured on a calendar year basis. All Administrative Fees shall be payable in U.S. Dollars and shall be made by wire to U.S. Communities, or its designee or trustee as may be directed in writing by U.S. Communities.
Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month for purchases shipped and billed during such calendar month. U.S. Communities agrees to pay to Lead Public Agency five percent (5%) of all Administrative Fees received from Supplier to help offset Lead Public Agency’s costs incurred in connection with managing the Master Agreement nationally.

5.2 **Sales Reports.** Within thirty (30) days of the end of each calendar month, Supplier shall deliver to U.S. Communities an electronic accounting report, in the format prescribed by Exhibit B, attached hereto, summarizing all purchases made under the Master Agreement during such calendar month (“Sales Report”). All purchases indicated in the Sales Report shall be denominated in U.S. Dollars. All purchases shipped and billed pursuant to the Master Agreement for the applicable calendar month shall be included in the Sales Report. U.S. Communities reserves the right upon reasonable advance notice to Supplier to change the prescribed report format to accommodate the distribution of the Administrative Fees to its program sponsors and state associations.

(a) Monthly Sales Reports shall include all sales reporting under the Master Agreement, and a breakout of Environmental Preferable (Green) sales reporting. Supplier must make reasonable attempts at filling in all required information and contact U.S. Communities with a plan to correct any deficiencies of data field population.

(b) Submitted reports shall be verified by U.S. Communities against its registration database. Any data that is inconsistent with the registration database shall be changed prior to processing.

5.3 **Exception Reporting/Sales Reports Audits.** U.S. Communities or its designee may, at its sole discretion, compare Supplier’s Sales Reports with Participating Public Agency records or other sales analysis performed by Participating Public Agencies, sponsors, advisory board members or U.S. Communities staff. If there is a material discrepancy between the Sales Report and such records or sales analysis as determined by U.S. Communities, U.S. Communities shall notify Supplier in writing and Supplier shall have thirty (30) days from the date of such notice to resolve the discrepancy to U.S. Communities’ reasonable satisfaction. Upon resolution of the discrepancy, Supplier shall remit payment to U.S. Communities’ trustee within fifteen (15) calendar days. Any questions regarding an exception report should be directed to U.S. Communities in writing to reporting@uscommunities.org. If Supplier does not resolve the discrepancy to U.S. Communities’ reasonable satisfaction within thirty (30) days, U.S. Communities shall have the right to engage outside services to conduct an independent audit of Supplier’s reports and Supplier shall be obligated to reimburse U.S. Communities for any and all costs and expenses incurred in connection with such audit.

5.4 **Online Reporting.** Within sixty (60) days of the end of each calendar quarter, U.S. Communities shall provide online reporting to Supplier containing Supplier’s sales reporting for such calendar quarter. Supplier shall contact U.S. Communities within fifteen (15) days of receiving notification of the online reporting and report to U.S. Communities any concerns or disputes regarding the reports, including but not limited to concerns regarding the following:

Supplier shall have access to the above reports through the U.S. Communities intranet website. The following additional reports are also available to Supplier and are useful in resolving reporting issues and enabling Supplier to better manage its Master Agreement:
5.5 Supplier’s Failure to Provide Reports or Pay Administrative Fees. Failure to provide a Sales Report or pay Administrative Fees within the time and in the manner specified herein shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Supplier, shall be deemed a cause for termination of the Master Agreement at Lead Public Agency’s sole discretion or this Agreement at U.S. Communities’ sole discretion. All Administrative Fees not paid within thirty (30) days of the end of the previous calendar month shall bear interest at the rate of one and one-half percent (1.5%) per month until paid in full.

ARTICLE VI

MISCELLANEOUS

6.1 Entire Agreement. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.

6.2 Attorney’s Fees. If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and costs in addition to any other relief to which such party may be entitled.

6.3 Assignment.

(a) Supplier. Neither this Agreement nor any rights or obligations hereunder shall be assignable by Supplier without prior written consent of U.S. Communities, and any assignment without such consent shall be void.

(b) U.S. Communities. This Agreement and any rights or obligations hereunder may be assigned by U.S. Communities in U.S. Communities’ sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform U.S. Communities’ obligations hereunder.

6.4 Notices. All reports, notices or other communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery requiring signature on receipt to the addresses as set forth below. U.S. Communities may, by written notice delivered to Supplier, designate any different address to which subsequent reports, notices or other communications shall be sent.

6.5 Severability. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

6.6 Waiver. Any failure of a party to enforce, for any period of time, any of the provisions under this Agreement shall not be construed as a waiver of such provisions or of the right of said party thereafter to enforce each and every provision under this Agreement.

6.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

6.8 Modifications. This Agreement may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the parties hereto.

6.9 Governing Law; Arbitration. This Agreement will be governed by and interpreted in accordance with the laws of the State of California without regard to any conflict of laws principles. Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this dispute resolution clause, shall be determined by arbitration in Walnut Creek, California, before one (1) arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. The prevailing party will be entitled to recover its reasonable attorneys’ fees and arbitration costs from the other party. The arbitration award shall be final and binding. Each party commits that prior to commencement of arbitration proceedings, the parties shall submit the dispute to JAMS for mediation. The parties will cooperate with JAMS and with one another in selecting a mediator from JAMS panel of neutrals, and in promptly scheduling the mediation proceedings. The parties covenant that they will participate in the mediation in good faith, and that they will share equally in its costs. The mediation will be conducted by each party designating a duly authorized officer or other representative to represent the party with the authority to bind the party, and that the parties agree to exchange informally such information as is reasonably necessary and relevant to the issues being mediated. All offers, promises, conduct, and statements, whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts, and attorneys, and by the mediator or any JAMS employees, are confidential, privileged, and inadmissible for any purpose, including impeachment, in any arbitration or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. If the dispute is not resolved within thirty (30) days from the date of the submission of the dispute to mediation (or such later date as the parties may mutually agree in writing), the administration of the arbitration shall proceed. The mediation may continue, if the parties so agree, after the appointment of the arbitrator. Unless otherwise agreed by the parties, the mediator shall be disqualified from serving as arbitrator in the case. The pendency of a mediation shall not preclude a party from seeking provisional remedies in aid of the arbitration from a court of appropriate jurisdiction, and the parties agree not to defend against any application for provisional relief on the ground that a mediation is pending.
6.10 **Successors and Assigns.** This Agreement shall inure to the benefit of and shall be binding upon U.S. Communities, Supplier and any successor and assign thereto; subject, however, to the limitations contained herein.

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This agreement is made between certain government agencies that execute a Lead Public Agency Certificate (‘Lead Public Agencies”) to be appended and made a part hereof and other government agencies (“Participating Public Agencies”) that agree to the terms and conditions hereof through the U.S. Communities registration and made a part hereof.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Lead Public Agencies, a number of Suppliers have entered into Master Agreements to provide a variety of goods, products and services based on national and international volumes (herein “Products and Services”);

WHEREAS, Master Agreements are made available by Lead Public Agencies through U.S. Communities and provide that Participating Public Agencies may purchase Products and Services on the same terms, conditions and pricing as the Lead Public Agency, subject to any applicable local purchasing ordinances and the laws of the State of purchase;

WHEREAS, the parties desire to comply with the requirements and formalities of the Intergovernmental Cooperation Act as may be applicable to the laws of the State of purchase;

WHEREAS, the parties hereto desire to conserve resources and reduce procurement cost;

WHEREAS, the parties hereto desire to improve the efficiency, effectiveness and economy of the procurement of necessary Products and Services;

NOW, THEREFORE, in consideration of the mutual promises contained in this agreement, and of the mutual benefits to result, the parties agree as follows:

1. That each party will facilitate the cooperative procurement of Products and Services.

2. That the procurement of Products and Services subject to this agreement shall be conducted in accordance with and subject to the relevant statutes, ordinances, rules and regulations that govern each party’s procurement practices.

3. That the cooperative use of solicitations obtained by a party to this agreement shall be in accordance with the terms and conditions of the solicitation, except as modification of those terms and conditions is otherwise allowed or required by applicable law.

4. That the Lead Public Agencies will make available, upon reasonable request and subject to convenience, information which may assist in improving the effectiveness, efficiency and economy of Participating Public Agencies procurement of Products and Services.

5. That a procuring party will make timely payments to the Supplier for Products and Services received in accordance with the terms and conditions of the procurement. Payment, inspections and acceptance of Products and Services ordered by the procuring party shall be the exclusive obligation of such procuring party. Disputes between procuring party and Supplier are to be resolved in accord with the law and venue rules of the State of purchase.
6. The procuring party shall not use this agreement as a method for obtaining additional concessions or reduced prices for similar products or services.

7. The procuring party shall be responsible for the ordering of Products and Services under this agreement. A non-procuring party shall not be liable in any fashion for any violation by a procuring party, and the procuring party shall hold non-procuring party harmless from any liability that may arise from action or inaction of the procuring party.

8. The exercise of any rights or remedies by the procuring party shall be the exclusive obligation of such procuring party.

9. This agreement shall remain in effect until termination by a party giving 30 days written notice to U.S. Communities at 2999 Oak Road, Suite 710, Walnut Creek, CA 94597.

10. This agreement shall take effect after execution of the Lead Public Agency Certificate or Participating Public Agency Registration, as applicable.
