CONDITIONS OF BIDDING

3. BID FORMS-Unless otherwise specified in the solicitation, all bids shall be submitted on the forms provided, to include the bid Cover Sheet and Pricing Schedule(s), properly signed in ink in the proper spaces and submitted in a sealed envelope provided with the solicitation. The item pages of the Pricing Schedule which do not include any items for which a bid is required need not be included in the submission of a bid.

Should the bid prices and/or any other submissions differ on the copy of the submitted bid, the ORIGINAL copy shall prevail.

4. LATE BIDS & MODIFICATIONS OF BIDS-

a. Any bid/modification received at the office designated in the solicitation after the exact time specified for receipt of the bid/modification is considered a late bid/modification. A late bid/modification will not be considered for award except under the following conditions only:

1. It was sent by registered or certified mail not later than the fifth (5th) calendar date prior to the date specified for receipt of the bid/modification; or

2. The bid/modification was sent by mail and it is determined by the County Purchasing Agent that the late receipt was due solely to mishandling by the County after receipt at the address specified in the solicitation.

b. If the County declares administrative or liberal leave, scheduled bid openings or receipt of proposals will be extended to the next business day.

c. The time of receipt of bids at the specified location is the time-date stamp of such location on the bid wrapper or other documentary evidence of receipt maintained by the specified location.

d. A late hand-carried bid, or any other late bid not submitted by mail, shall not be considered for award.

5. WITHDRAWAL OF BIDS-

a. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his or her bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake therein, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetical error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetical error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetical error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid which shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. The bidder shall give notice in writing to the Purchasing Agent of his or her claim of right to withdraw his or her bid within two (2) business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice.

b. A bidder for a contract other than for public construction may request withdrawal of his or her bid under the following circumstances:

1. Requests for withdrawal of bids prior to opening of such bids shall be transmitted to the County Purchasing Agent in writing.

2. Requests for withdrawal of bids after opening of such bids but prior to award shall be transmitted to the County Purchasing Agent, in writing, accompanied by full documentation supporting the request. If the request is based on a claim of error, documentation must show the basis of the error. Such documentation may take the form of supplier quotations, vendor work sheets, etc. If bid bonds were tendered with the bid, the County may exercise its right of collection.

c. No bid may be withdrawn under this paragraph when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent.

d. If a bid is withdrawn under the authority of this paragraph, the lowest remaining bid shall be deemed to be the low bid.

e. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or
General Conditions and Instructions to Bidders

other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

f. If the county denies the withdrawal of a bid under the provisions of this paragraph, it shall notify the bidder in writing stating the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder.

g. Work papers, documents, and materials submitted in support of a withdrawal of bids may be considered as trade secrets or proprietary information subject to the conditions of the Virginia Freedom of Information Act.

6. ERRORS IN BIDS—When an error is made in extending total prices, the unit bid price will govern. Erasures in bids must be initialed by the bidder. Carelessness in quoting prices, or in preparation of bid otherwise, will not relieve the bidder. Bidders are cautioned to recheck their bids for possible error. Errors discovered after public opening cannot be corrected and the bidder will be required to perform if his or her bid is accepted.

7. MAILING OF BIDS – All bids and proposals submitted in response to a Fairfax County solicitation shall be submitted either a) in the special mailing envelope provided by the Department of Purchasing and Supply Management or b) have the solicitation number, subject, and date/time of opening/closing clearly marked on the outside of any other wrapper used.

8. COMPLETENESS—To be responsive, a bid must include all information required by the solicitation.

9. ACCEPTANCE OF BIDS/BINDING 90 DAYS—Unless otherwise specified, all formal bids submitted shall be binding for ninety (90) calendar days following bid opening date, unless extended by mutual consent of all parties.

10. CONDITIONAL BIDS—Conditional bids are subject to rejection in whole or in part.

11. BIDS FOR ALL OR PART—Unless otherwise specified by the County Purchasing Agent or by the bidder, the Purchasing Agent reserves the right to make award on all items in the aggregate or on any of the items on an individual basis, whichever is in the best interest of the County. A bidder may restrict his or her bid to consideration in the aggregate by so stating but shall name a single unit price on each item bid. Any bid in which the bidder names a total price for all the articles without quoting a unit price for each and every separate item may not be considered for award.

12. AREA BIDS—For the purchase and delivery of certain goods and services the County may be divided into Areas (e.g., Areas I, II, III, and IV). When such goods and services are included in the Pricing Schedule, bidders may bid on all areas or an individual area. A map showing the areas of the County will be furnished with the solicitation when required.

13. TIME FOR RECEIVING BID—Bids received prior to the time of opening will be securely kept, unopened. The representative of the Purchasing Agent assigned to open them will decide when the specified time has arrived, and no bid received thereafter will be considered, except as provided in paragraph 4. General Conditions and Instructions to Bidders. No responsibility will attach to the Purchasing Agent or his or her representative for the premature opening of a bid not properly addressed and identified. Unless specifically authorized in the solicitation, telegraphic, electronic, or facsimile bids/modifications will not be considered.

14. BID OPENING—All bids received in response to an Invitation for Bid (IFB) will be opened at the date, time and place specified, read publicly, and made available for inspection as provided in paragraph 68. General Conditions and Instructions to Bidders. Tabulations of bids received are posted on the Department of Purchasing & Supply Management Bulletin Board as well as the County’s website: http://www.fairfaxcounty.gov/dpsm/solic.htm.

Proposals received in response to a Request for Proposal (RFP) will be made available as provided in paragraph 68, General Conditions and Instructions to Bidders.

15. OMISSIONS & DISCREPANCIES—Any items or parts of any equipment listed in this solicitation which are not fully described or are omitted from such specification, and which are clearly necessary for the completion of such equipment and its appurtenances, shall be considered a part of such equipment although not directly specified or called for in the specifications.

Should a bidder find discrepancies or ambiguities in, or omissions from, the solicitation, including the drawings and or specifications, he or she shall notify the Purchasing Agent at least five (5) days prior to the date set for the opening of bids. If necessary, the Purchasing Agent will send a written addendum for clarification to all bidders no later than three (3) days before the date set for opening of bids. Notifications regarding specifications will not be considered if received within five days of the date set for opening of bids.

16. RESPONSE TO SOLICITATIONS—In the event a vendor cannot submit a bid on a solicitation, he or she is requested to return the solicitation cover sheet with an explanation as to why he or she is unable to bid on these requirements.

17. BIDDER INTERESTED IN MORE THAN ONE BID—If more than one bid is offered by any one party, either directly or by or in the name of his or her clerk, partner, or other persons, all such bids may be rejected. A party who has quoted prices on work, materials, or supplies to a bidder is not thereby disqualified from quoting prices to other bidders or firms submitting a bid directly for the work, materials or supplies.

18. TAX EXEMPTION—The County is exempt from the payment of any federal excise or any Virginia sales tax. The price bid must be net, exclusive of taxes. However, when under established trade practice any federal excise tax is included in the list price, a bidder may quote the list price and shall show separately the amount of federal tax, either as a flat sum or as a percentage of the list price, which shall be deducted by the County. Fairfax County’s Federal Excise Tax Exemption Number is 54-740127K. Contractors located outside the Commonwealth of Virginia are advised that when materials are picked up by the County at their place of business, they may charge and collect their own
General Conditions and Instructions to Bidders

local/state sales tax. Materials used in the performance of construction contracts are subject to Virginia Sales/Use Tax as described in Section 630-10-27J of the Virginia Retail Sales and Use Tax Regulations.

19. PROHIBITION AGAINST UNIFORM PRICING-The County Purchasing Agent shall encourage open and competitive bidding by all possible means and shall endeavor to obtain the maximum degree of open competition on all purchase transactions using the competitive sealed bidding, competitive negotiation, or open market methods of procurement. In submitting a bid each bidder shall, by virtue of submitting a bid, guarantee that he or she has not been a party with other bidders to an agreement to bid a fixed or uniform price. Violation of this implied guarantee shall render void the bids of participating bidders. Any disclosure to or acquisition by a competitive bidder, in advance of the opening of the bids, of the terms or conditions of the bid submitted by another competitor may render the entire proceedings void and may require re-advertising for bids.

SPECIFICATIONS

20. QUESTIONS CONCERNING SPECIFICATIONS-Any information relative to interpretation of specifications and drawings shall be requested of the Purchasing Agent, in writing, in ample time before the opening of bids. No inquiries, if received by the Purchasing Agent within five (5) days of the date set for the opening of bids, will be given any consideration. Any material interpretation of a specification, as determined by the County Purchasing Agent, will be expressed in the form of an addendum to the specification which will be sent to all prospective bidders no later than three (3) days before the date set for receipt of bids. Oral answers will not be authoritative.

21. BRAND NAME OR EQUAL ITEMS-Unless otherwise provided in the invitation for bid, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the County in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.

22. FORMAL SPECIFICATIONS-When a solicitation contains a specification which states no substitutes, no deviation therefrom will be permitted and the bidder will be required to furnish articles in conformity with that specification.

The bidder shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the specifications and drawings. Whenever the mention is made of any articles, material, or workmanship to be in accordance with laws, ordinances, building codes, underwriter's codes, A.S.T.M. regulations or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as to the minimum requirements of these specifications.

AWARD

24. AWARD OR REJECTION OF BIDS-The Purchasing Agent shall award the contract to the lowest responsive and responsible bidder complying with all provisions of the IFB, provided the bid price is reasonable and it is in the best interest of the County to accept it. Awards made in response to a RFP will be made to the highest qualified offeror whose proposal is determined, in writing, to be the most advantageous to the County taking into consideration the evaluation factors set forth in the RFP. The Purchasing Agent reserves the right to award a contract by individual items, in the aggregate, or in combination thereof, or to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the best interest of the County. Award may be made to as many bidders as deemed necessary to fulfill the anticipated requirements of Fairfax County. The Purchasing Agent also reserves the right to reject the bid of a bidder deemed to be a non-responsible bidder.

In determining the responsibility of a bidder, the following criteria will be considered:

a. The ability, capacity and skill of the bidder to perform the contract or provide the service required;

b. Whether the bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference;

c. The character, integrity, reputation, judgment, experience and efficiency of the bidder;

d. The quality of performance of previous contracts or services;

e. The previous and existing compliance by the bidder with laws and ordinances relating to the contract or services;

f. The sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service;

g. The quality, availability and adaptability of the goods or services to the particular use required;

h. The ability of the bidder to provide future maintenance and service for the use of the subject of the contract;

i. The number and scope of the conditions attached to the bid;

j. Whether the bidder is in arrears to the County on debt or contract or is a defaulter on surety to the County or whether the bidder’s County taxes or assessments are delinquent; and

k. Such other information as may be secured by the County Purchasing Agent having a bearing on the decision to award the contract.
General Conditions and Instructions to Bidders

If an apparent low bidder is not awarded a contract for reasons of nonresponsibility, the County Purchasing Agent shall so notify that bidder and shall have recorded the reasons in the contract file.

25. NOTICE OF ACCEPTANCE/CONTRACT DOCUMENTS—A written award (or Acceptance Agreement) mailed (or otherwise furnished) to the successful bidder within the time for acceptance specified in the solicitation shall be deemed to result in a binding contract. The following documents which are included in the solicitation shall be incorporated by reference in the resulting contract and become a part of said contract:

a. County of Fairfax Solicitation Form/Acceptance Agreement (Cover Sheet) and other documents which may be incorporated by reference, if applicable,
b. General Conditions and Instructions to Bidders,
c. Special Provisions and Specifications,
d. Pricing Schedule,
e. Any Addenda/Amendments/Memoranda of Negotiations

26. TIE-BIDS—If all bids are for the same total amount or unit price (including authorized discounts and delivery times), and if the public interest will not permit the delay of readvertisement for bids, the County Purchasing Agent is authorized to award the contract to the resident Fairfax County tie bidder whose firm has its principal place of business in the County, or if there be none, to the resident Virginia tie bidder; or if there be none, to one of the tie bidders by drawing lots in public; or the County Purchasing Agent may purchase the goods or services in the open market except that the price paid shall not exceed the lowest contract bid price submitted for the same goods or services. The decision of the County to make award to one or more such bidders shall be final.

27. PROMPT PAYMENT DISCOUNT—

a. Unless otherwise specified in the solicitation, prompt payment discounts requiring payment in less than fifteen (15) days will not be considered in evaluating a bid for award. However, even though not considered in the evaluation, such discounts will be taken if payment is to be made within the discount period.
b. In connection with any discount offered, time will be computed from the date of delivery of the supplies to the carrier when delivery, inspection and acceptance are at the point of origin; or, from date of delivery, inspection and acceptance at destination; or, from date correct invoice or voucher is received in the office specified by the County, if the latter is later than the date of acceptance. In the event the bidder does not indicate a prompt payment discount, it shall be construed to mean NET 30 days.

For the purpose of earning the discount, payment is deemed to be made as of the date of mailing of the County check or issuance of an Electronic Funds Transfer.

28. INSPECTION-ACCEPTANCE—For determining acceptance of supplies in accordance with the provisions of the prompt payment discount paragraph, inspection and acceptance shall be accomplished only after examination (including testing) of supplies and services to determine whether the supplies and services conform to the contract requirements. Acceptance shall occur only after receipt and inspection provided such inspection, as appropriate, is accomplished within a reasonable time.

29. DEFINITE BID QUANTITIES—Where definite quantities are specifically stated, acceptance will bind the County to order quantities specified and to pay for, at contract prices, all such supplies or services delivered that meet specifications and conditions of the contract. However, the County will not be required to accept delivery of any balances unordered, as of the contract expiration date, unless the Contractor furnished the Purchasing Agent with a statement of unordered balances not later than ten (10) days after the termination date of the contract.

30. REQUIREMENT BID QUANTITIES—On "Requirement" bids, acceptance will bind the County to pay for, at unit bid prices, only quantities ordered and delivered. Where the County specifies estimated quantities, the Contractor shall not be required to deliver more than ten (10) percent in excess of the estimated quantity of each item, unless otherwise agreed upon.

CONTRACT PROVISIONS

31. TERMINATION OF CONTRACTS—Contracts will remain in force for full periods specified and/or until all articles ordered before date of termination shall have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall have been met, unless:

a. Terminated prior to expiration date by satisfactory deliveries of entire contract requirements, or upon termination by the County for Convenience or Cause.
b. Extended upon written authorization of the Purchasing Agent and accepted by Contractor, to permit ordering of unordered balances or additional quantities at contract prices and in accordance with contract terms.

32. TERMINATION FOR CONVENIENCE—A contract may be terminated in whole or in part by the County in accordance with this clause whenever the County Purchasing Agent shall determine that such a termination is in the best interest of the County. Any such termination shall be effected by delivery to the Contractor at least five (5) working days prior to the termination date of a Notice of Termination specifying the extent to which performance shall be terminated and the date upon which termination becomes effective. An equitable adjustment in the contract price shall be made for completed service, but no amount shall be allowed for anticipated profit on unperformed services.
33. TERMINATION OF CONTRACT FOR CAUSE-
   a. If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner his or her obligations under this contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this contract, the County shall thereupon have the right to terminate, specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event all finished or unfinished documents, data, studies, surveys, drawings, maps, models, and reports prepared by the Contractor under the contract shall, at the option of the County, become its property and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents.
   b. Notwithstanding the above, the Contractor shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of contract by the Contractor for the purpose of set off until such time as the exact amount of damages due to the County from the Contractor is determined.

34. CONTRACT ALTERATIONS-No alterations in the terms of a contract shall be valid or binding upon the County unless made in writing and signed by the Purchasing Agent or his or her authorized agent.

35. SUBLETTING OF CONTRACT OR ASSIGNMENT OF CONTRACT FUNDS-It is mutually understood and agreed that the Contractor shall not assign, transfer, convey, sublet or otherwise dispose of his or her contractual duties to any other person, firm or corporation, without the previous written consent of the Purchasing Agent. If the Contractor desires to assign his or her right to payment of the contract, Contractor shall notify the Purchasing Agent immediately, in writing, of such assignment of right to payment. In no case shall such assignment of contract relieve the Contractor from his or her obligations or change the terms of the contract.

36. FUNDING-A contract shall be deemed binding only to the extent of appropriations available to each Agency for the purchase of goods and services.

37. DELIVERY/SERVICE FAILURES-Failure of a Contractor to deliver goods or services within the time specified, or within reasonable time as interpreted by the Purchasing Agent, or failure to make replacements/corrections of rejected articles/services when so requested, immediately or as directed by the Purchasing Agent, shall constitute authority for the Purchasing Agent to purchase in the open market articles/services of comparable grade/quality to replace the services, articles rejected, and/or not delivered. On all such purchases, the Contractor shall reimburse the County, within a reasonable time specified by the Purchasing Agent, for any expense incurred in excess of contract prices. Such purchases shall be deducted from the contract quantities if applicable. Should public necessity demand it, the County reserves the right to use or consume articles delivered or services performed which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Agent.

38. NON-LIABILITY-The Contractor shall not be liable in damages for delay in shipment or failure to deliver when such delay or failure is the result of fire, flood, strike, the transportation carrier, act of God, act of Government, act of an alien enemy or by any other circumstances which, in the Purchasing Agent’s opinion, are beyond the control of the Contractor. Under such circumstances, however, the Purchasing Agent may, at his or her discretion, cancel the contract.

39. NEW GOODS, FRESH STOCK-All Contractors, unless otherwise specifically stated, shall provide new commodities, fresh stock, latest model, design or pack.

40. NON-DISCRIMINATION-During the performance of this contract, the Contractor agrees as follows:
   a. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.
   b. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such Contractor is an equal opportunity employer.
   c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
   d. The Contractor will include the provisions of the foregoing paragraphs a, b, and c above in every subcontract or purchase order of over $10,000 so that the provisions will be binding upon each subcontractor or vendor.
   e. Contractor and Subcontractor hereunder shall, throughout the term of this contract, comply with the Human Rights Ordinance, Chapter 11 of the Code of the County of Fairfax, Virginia, as reenacted or amended.

41. VENDOR RELATIONS DIVISION-
   a. It is the policy of the County of Fairfax as declared by the Fairfax County Board of Supervisors’ adoption of a Small and Minority Business Enterprise Program, April 6, 1981, that Fairfax County and its employees undertake every effort to increase opportunity for utilization of small or minority businesses in all aspects of procurement to the maximum extent feasible.
   b. In connection with the performance of this contract, the Contractor agrees to use his or her best effort to carry out this policy and to
**General Conditions and Instructions to Bidders**

c. As used in this contract, the term small business means an independently owned and operated business which, together with affiliates, has 250 or fewer employees or average annual gross receipts of $10 million or less averaged over the previous three years.

d. As used in this contract, the term "minority business" means a business concern that is at least 51% owned by one or more minority individuals or in the case of a corporation, partnership or limited liability company, or other entity, at least 51% of the equity ownership interest in the corporation, partnership or limited company or other entity is owned by one or more minority individuals and both the management and daily business operations are controlled by one or more minority individuals. Such individuals shall include Asian American, African American, Hispanic American, Native American, Eskimo, or Aleut.

e. As used in this contract, the term women-owned business means a business concern that is at least 51% owned by one or more women who are U.S. citizens or legal resident aliens, or in the case of a corporation, partnership or limited company or other entity, at least 51% of the equity ownership interest is owned by one or more women who are U.S. citizens or legal resident aliens, and both the management and daily business operations are controlled by one or more women who are U.S. citizens or legal resident aliens.

f. Contractors may rely on oral or written representations by subcontractors regarding their status as small and/or minority business enterprises in lieu of independent investigation.

g. Where Federal grants or monies are involved it is the policy of Fairfax County, through its agents and employees, to comply with the requirements set forth in the U.S. Office of Management and Budget Circular No. A-102, uniform administrative requirements for Grants and Cooperative Agreements with State and Local Governments, as they pertain to small and minority business utilization.

42. GUARANTEES & WARRANTIES—All guarantees and warranties required shall be furnished by the Contractor and shall be delivered to the Purchasing Agent before final payment on the contract is made. Unless otherwise stated, manufacturer's standard warranty applies.

43. PRICE REDUCTION—If at any time after the date of the bid the Contractor makes a general price reduction in the comparable price of any material covered by the contract to customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to this contract for the duration of the contract period (or until the price is further reduced). Such price reduction shall be effective at the same time and in the same manner as the reduction in the price to customers generally. For purpose of this provision, a "general price reduction" shall mean any horizontal reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this solicitation. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a "general price reduction" under this provision. The Contractor shall submit his or her invoice at such reduced prices indicating on the invoice that the reduction is pursuant to the "Price Reduction" provision of the contract documents. The Contractor in addition will within ten days of any general price reduction notify the Purchasing Agent of such reduction by letter. FAILURE TO DO SO MAY REQUIRE TERMINATION OF THE CONTRACT. Upon receipt of any such notice of a general price reduction, all ordering offices will be duly notified by the Purchasing Agent.

The Contractor, if requested, shall furnish, within ten days after the end of the contract period, a statement certifying either (1) that no general price reduction, as defined above, was made after the date of the bid, or (2) if any such general price reductions were made, that as provided above, they were reported to the Purchasing Agent within ten (10) days and ordering offices were billed at the reduced prices. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The County Purchasing Agent shall issue a decision in writing within ten (10) days of the receipt of the protest stating the reasons for the action taken. MUTUAL COMMITMENTS

3. U.S. Communities Commitments to Program Suppliers

Marketing – U.S. Communities will proactively and jointly market the Supplier’s contract to Agencies nationwide throughout the United States through a network of major sponsors (NLC, NACo, USCMA, ASBO & NIGP) and state-level sponsors. In addition the U.S. Communities staff will enhance the Supplier’s marketing efforts through in-person meetings with public agencies, participation in key events and tradeshows and by providing online tools to the Supplier’s sales force.

Training – U.S. Communities is dedicated to training and educating the Supplier sales force. The U.S. Communities Program Managers’ primary focus is the education, training and engagement of the Supplier’s sales force. The Program Managers will conduct face to face training sessions as well as conduct joint calls to major Public Agencies. This direct support is enhanced by a Supplier login that provides presentations, documents and information to assist the Supplier field sales force in effectively promoting their U.S. Communities contract.

Knowledge Management Support – U.S. Communities will provide resources and tools to enable the Supplier to leverage the program’s knowledge and data. Prior to implementation, the Supplier’s sales force will be provided access to a private login site that contains marketing, training and targeting data.

SUPPLIER COMMITMENTS

U.S. Communities views the relationship with an awarded Program Supplier as an opportunity to provide maximum benefit to both the Participating Public Agencies and to the Suppliers.

The successful foundation of the partnership requires Commitments from both U.S. Communities and the Suppliers. U.S. Communities asks each Supplier to make the Commitments set forth below to ensure Supplier is providing the highest level of public benefit to Participating Public Agencies:

Each supplier is required to make four commitments to insure the overall success of the national program. These commitments are incorporated into the Agreement:

A. Corporate – A commitment that U.S. Communities is actively supported by Supplier’s senior executive management with a focus on the following:

- U.S. Communities will be the Supplier’s primary offering to states, local governments, school districts, and higher education institutions in the United States of America; and other government
U.S. communities Administration Agreement continued

agencies and nonprofit organizations herein collectively all known as “Participating Public Agencies”.

- A commitment that Supplier shall make all existing Participating Public Agencies that do business with the Supplier aware of the value and pricing benefits of the U.S. Communities contract.

- Upon authorization by the Participating Public Agency transition such Participating Public Agencies to the Supplier’s U.S. Communities contract.

B. Pricing – A commitment that Supplier’s U.S. Communities contract pricing is the lowest available pricing (net to buyer) to Participating Public Agencies. If a Participating Public Agency is otherwise eligible for lower pricing through any other Supplier contract, the Supplier will match the pricing under U.S. Communities.

C. Economy - A commitment that the supplier will demonstrate the pricing advantage of U.S. Communities over alternative competitive solicitation pricing and will proactively offer U.S. Communities as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

D. Sales – A commitment that the Supplier will market U.S. Communities throughout the United States through a Supplier sales force or dealer network that is properly trained, engaged and committed to offering U.S. Communities as Supplier’s primary offering to Participating Public Agencies.

The Corporate, Pricing, Economy and Sales Commitments are the foundation of the relationship between U.S. Communities and its suppliers. The Commitments are not negotiable. If a supplier is found to be in violation and/or non-compliance with one or more of the U.S. Communities Commitments, the supplier will have ninety days to provide resolution and come into compliance. Failure to do so will result in removal from the U.S. Communities national program.

13. Failure to provide a monthly report and/or payment of the administrative fee within the time and manner specified shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement at Lead Public Agency’s sole discretion or this Agreement at the U.S. Communities sole discretion. All administrative fees not paid within 30 days of the previous month’s Participating Public Agency sales shall bear interest at the rate of 1 1/2% per month until paid. Administrative fee payments shall be made by check or wire to U.S. Communities or the Designee or Trustee as may be directed in writing by U.S. Communities.

If the Supplier does not so resolve the discrepancy, U.S. Communities shall have the right to engage outside services to conduct an independent audit of Supplier’s reports and Supplier shall be obligated to reimburse U.S. Communities costs and expenses for such audit.

Addendum #1 – Affiliated Programs

U.S. Communities recently established Canadian Communities, an affiliated program in Canada to offer certain qualified contract awards. U.S. Communities will continue to explore other international opportunities as practical based upon the capacity of contract suppliers to properly serve public agencies internationally;

Understanding that all Suppliers may not have the capacity or want to focus on Canadian Communities or other affiliated programs, U.S. Communities offers these opportunities on a voluntary basis to Suppliers.

The terms, conditions and commitments outlined and agreed upon in the U.S. Communities Administration Agreement shall be applied to Canadian Communities and any other international opportunities.

_________ Supplier wishes to participate and has the capacity to serve Canadian public agencies and other international opportunities, and agrees to abide by the terms, conditions and commitments of the executed U.S. Communities Administration Agreement.

_________ Supplier does not wish to participate in Canadian Communities and other international opportunities.

ADMINISTRATION AGREEMENT GUIDELINES

Corporate Commitment Guidelines

1. The supplier must demonstrate in their RFP response and throughout the term of their contract that senior management fully supports the U.S. Communities program and its commitments and requirements. Senior management is defined as an executive(s) with companywide authority.

2. The supplier’s field force (direct and/or authorized dealer / rep agency etc.) must lead with their U.S. Communities contract when calling on public agencies nationwide. If the supplier has alternate cooperative vehicles (i.e. state contracts, regional cooperatives) U.S. Communities is required to be the lead offering not just one of the supplier’s options. If a supplier meets resistance or an objection to utilizing U.S. Communities from a public agency, prior to offering an alternate contract option, the suppliers sales representative must contact the U.S. Communities Program Manager in the area and request assistance in overcoming the barrier or objection. If the U.S. Communities Program Manager is unable to resolve the public agency’s objection then the supplier is permitted to pursue other options.

3. In states where the supplier has an existing state contract, U.S. Communities expects the supplier to notify the state of its U.S. Communities contract and transition the state to U.S. Communities upon the state’s request. Regardless of whether or not the state decides to transition to U.S. Communities, U.S. Communities expects the supplier to lead with the U.S. Communities contract to the local public agencies within the state. Local public agencies include but are not limited to; counties, cities, school districts, special districts, community colleges, colleges, universities and non-profits. The above applies to other cooperatives held by the supplier.

4. U.S. Communities recognizes that the main value for a supplier to participate in the U.S. Communities program is to generate new incremental revenue. To ensure the credibility of the program U.S. Communities requires its suppliers to inform their existing public agency customers of their U.S. Communities contract. If an existing public agency client requests to be transitioned to the supplier’s U.S. Communities contract, U.S. Communities expects the supplier to transition the client and report the client’s purchases to U.S. Communities going forward.

SUPPLIER'S INITIAL: __________
DATE: __________
It is U.S. Communities’ expectation that the standard pricing offered through the supplier’s U.S. Communities contract is generally the lowest overall available pricing net to buyer to state and local agencies nationwide. The supplier does have recourse available to come into compliance with the U.S. Communities pricing commitment when a pre-existing contract and/or a public agency’s unique buying pattern provide one or more public agencies a lower price than the supplier’s U.S. Communities contract. The following options are intended for limited use and not as a routine business practice.

1. If the supplier has a contract that is available to one or more public agencies that offers lower pricing than their U.S. Communities contract, the supplier is required to match the pricing under the U.S. Communities contract and make the eligible public agencies aware that the lower pricing is available under their U.S. Communities contract. If one or more of the eligible agencies request to transition to the U.S. Communities contract, the supplier is expected to transition the agency and report the agency’s purchases under the U.S. Communities contract going forward. The price match only applies to eligible agencies. Below are three examples of contracts and eligible agencies.

   a. The supplier holds a state contract with lower pricing that is available to all public agencies within the state. The supplier would match the lower state pricing under U.S. Communities and make it available to all public agencies within the state.

   b. The supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. The supplier would match the lower cooperative pricing under U.S. Communities and make it available to the ten public agency cooperative members.

   c. The supplier holds a contract with an individual public agency. The public agency contract does not contain any cooperative language and therefore other public agencies are not eligible to utilize the contract. The supplier would be required to match the lower pricing under the U.S. Communities contract and make it available only to the individual public agency.

2. Occasionally U.S. Communities and its suppliers interact with a public agency that has a buying pattern that is a large deviation from the normal public agency buying pattern that causes the supplier’s U.S. Communities pricing to be non-competitive and/or higher than an alternative contract held by the supplier. The cause could be created by a unique end user preference or requirement. When this occasion arises the supplier has the ability to address the issue by lowering the price under the U.S. Communities contract on the item(s) causing the large deviation. The supplier would not be required to lower the price for other agencies.

SUPPLIER’S INITIAL: __________
DATE: ________
While it is the objective of the U.S. Communities program to have public agencies piggyback on the contracts rather than issue their own bids and RFPs, U.S. Communities recognizes that for various reasons many public agencies will issue their own solicitations. The following options are available to U.S. Communities Suppliers when responding to Public Agency solicitations.

1. **Respond with your U.S. Communities contract pricing.** If successful the sales would be reported under U.S. Communities,

2. **If competitive conditions required pricing lower than the standard U.S. Communities contract pricing**, the supplier can submit lower pricing through the U.S. Communities contract. If successful the sales would be reported under U.S. Communities,

3. **Do not respond to the bid or RFP.** Make the U.S. Communities contract available to the agency to compare against their solicitation responses.

4. **Respond to the bid or RFP with pricing that is higher (net to buyer) than the Suppliers’ U.S. Communities contract pricing.**

5. **Respond to the bid or RFP with pricing that is higher (net to buyer) than the Suppliers U.S. Communities contract pricing.** If an alternative response is permitted offer the U.S. Communities contract as an alternative for their consideration.

Within 30 Days of the previous month’s Participating Public Agency sales, monthly reporting is due in the required format. Monthly reporting will include sales reporting for U.S. and Canada, and a breakout of Environmental Preferable (Green) sales reporting. Supplier must make reasonable attempts at filling in all required information and contact U.S. Communities with a plan to correct any deficiencies of data field population.

Submitted reports will be verified by U.S. Communities against their registration database. Any data that differs with the registration database will be changed prior to processing.

U.S. Communities will send to each supplier an error report which details where the supplier sales report differed from the registration database and the anticipated actions to correct those discrepancies. These corrections must be completed prior to the following quarterly sales report. Any questions should be directed to U.S. Communities in writing to mteixeira@uscommunities.org.

Within 60 days of each calendar quarter, U.S. Communities will provide online reporting available to suppliers, sponsors and agencies with updated quarterly reports. The suppliers will be asked to follow up and report back within 15 days of receiving the notification on specific reports available to them online. In general, these are the areas of concern that suppliers will be requested to review and report back on:

If upon review of sales reports or sales analysis by agencies, sponsors, advisory board members or U.S. Communities staff, a sales reporting discrepancy is highlighted, suppliers will be informed of follow up requirements by e-mail. Suppliers will be expected to provide to U.S. Communities data that sufficiently clarifies sales issues in question in a timely manner so as to be resolved to U.S. Communities’ and Lead Agency’s reasonable satisfaction within 30 days of written request; and if not resolved U.S. Communities will have the right to conduct an audit and subject late fees to the sales in question.
