*All products listed as "Made in USA" met federal requirements upon publishing of our catalog and website, but are subject to change. HD Supply will advise identified federal government customers of status changes at time of purchase for phone orders. For orders placed via fax, web, e-mail, and third-party eCommerce platforms, refer to hdsupplysolutions.com or call 1-877-610-6912 for the most current information. For other customers interested in status changes, refer to hdsupplysolutions.com.

To search for Made in the USA products online, visit hdsupplysolutions.com, shop for the category of products you need, then use the Made in the USA filter to refine your search results. We also include the Country of Origin at the part detail level to help you comply with the Buy American Act (BAA) and the Trade Agreement Act (TAA).
