# Tracked Tractors

355–600 HP

## SERIES:

**MT700E**  
**MT800E**

You're out to get more done in less time. That's how you save money. That's why Challenger® high-horsepower tracked tractors are designed to deliver the reliability, quality and on-the-jobsite performance you need. In fact, Challenger has gone the extra mile to create the ultimate in powerful performance, cab comfort and ease of use. So whether it's general work at your university, or earth moving and construction, Challenger tracked tractors will always be ready to tackle.

## SEGMENTS:

-  Ag tech schools & universities
-  Earth moving & construction (Retaining ponds, etc.)

### MT700E Series

Reduce compaction while delivering greater power to the ground. The MT700E Series delivers all that and more with maximum adjustability for any application and new enhancements that make it easier and more comfortable to work all day.

### MT800E Series

No matter what your field or jobsite conditions demand, MT800E Series tractors are born ready. Their incredible range of horsepower options make them the most multitalented and flexible track line-up in the industry. The secret to our system is oscillating midwheels that maintain constant ground contact for unbeatable traction and a quality ride.
