(Batwing, shoulder & boom mower)

At your ag tech school or university, your mission is to get the job done. And you want the power, versatility, efficiency and reliability too get any job done right. That's what you get with high-horsepower tractors from Massey Ferguson®. They're highly dependable, no-nonsense, low-maintenance tractors that are built to work the same way you do.

### 7700 Series

The Massey Ferguson 7700 Series was created for operations like yours that need a powerful, reliable and easy to operate tractor. These tractors have the hydraulic capacity to run multiple different mowers, the agility for tough loader work and the versatility for most every job in between. You'll work efficiently, maximizing your productivity and minimizing your operating cost.

### 8700 Series

The new high-horsepower 8700 Series by Massey Ferguson can tackle roadside mowing, brush-cut mowing or any job an ag tech university has — all in a day's work. Now you have the power to accomplish virtually anything, from pulling large implements to handling loader work — faster, easier and with less operator fatigue.
