The warranty period applies from the date of purchase by the first customer. This warranty covers only defects in materials. KOMPAN's liability under this warranty is limited to repair or replacement of defective products, without charge, at KOMPAN's discretion. Defective electronic components will be delivered and changed by a KOMPAN ICON Professional installer free of charge

## **2. Warranty applies only if products have been properly installed and maintained**

The warranty only applies if KOMPAN's products have been installed according to the instructions provided by KOMPAN, and maintained correctly according to the KOMPAN Maintenance Manual. The warranty for ICON electrical components is dependent on those products being installed by an ICON trained and approved installer.

## **3. No coverage for accidents, wear, tear, cosmetic issues, misuse or vandalism**

This warranty does not cover any damage caused by accident, improper care, negligence, normal wear and tear, surface corrosion on metal parts, discolored surfaces and other cosmetic issues or failures due to misuse or vandalism. Natural changes in wood over time are considered cosmetic issues and are not covered.

## **4. Products installed near water**

Products installed in direct contact with chlorinated water or saltwater (Waterparks), or products installed with occasional contact with such water or installed so close to the shore that they are subjected to salt spray are not covered by the KOMPAN warranty for any defects caused by corrosion.

Products installed in coastal areas, within 200 meters of the shore, will only be covered by the warranty for half the period of the standard product warranty in relation to defects caused by corrosion. KOMPAN's lifetime warranty if applicable is limited to a 10 year warranty in relation to such products.

## **5. Third party supplied products & services.**

KOMPAN provides non-KOMPAN branded products and installation services performed by certified third party suppliers. This general KOMPAN warranty does not apply to such non-KOMPAN branded products and installation services, which may carry their own warranties. KOMPAN will pass on information about such warranties where possible.
